Can we go for mind chest and knee MRI all 3 MRI at a same time and let us see what will be output???????????

I write 5 line every day form my last company email id and send it on every email id that i am holding so my internal hacking deatils i write with live suffering events that happens with me every day so 5-5 lines for 7month job becomes the 16 pages documents and that proof is avalable inside my every email id and that 16 pages collection of 7 month live curreption is available inside this documents and small parts of this 16 pages is avalable in my every email id.....so in gujarati i can say that gand maravta maravta aa 16 pana lakhya che

So at this stage my lab report for knee is healthy for multiple laboratory like SHREE SANTRAM LABORATORY and SRL Limited mumbai and knee x-ray is also perfectly healthy Can we conclude that My statement that I have a knee pain on the same second when my thinking adversely affect the divorcee this statement is reflected inside my MRI report below.....otherwise at my age person who has perfect healthy lab and x-ray report from multiple lab must be supported by healthy MRI.....below is the

મારુ મગજ (mind) એક ચુદ્ધ નું મેદાન છે અને વિચાર (thinking) ઈ એક ચુદ્ધ ના મેદાન નું weapon (શસ્ત્ર) છે અને આ ચુદ્ધ ના મેદાન માં હું છૂટાછેડા લઉં છું તે પણ એનું શસ્ત્ર (weapon) એટલે કે વિચાર નાખી સકે છે કોઈ પણ રીતે ગાયન કે કોઈ પણ જાતના એના વિચાર .... હું જે છૂટાછેડા લઉં છું એની પાસે મારા મગજ ના વિચાર માં એના વિચાર (શસ્ત્ર) weapon હથિયાર ગમે ત્યારે વાપરી સકે છે અને એની પાસે મારા mind (મગજ) નો એટલો control (અધિકાર) છે કે મારા વિચાર જે રેડીઓ છે ઈ વિચાર કમ રેડિયો ને take over (અધિકાર લઈને) મારા રેડિયો માં એનું ખોટું પ્રવચન કરી સકે છે અને એ ધ્યાન રાખી ને કરે છે કે મારા વિચાર ઢીલા હોય ત્યારે મને ખબર ના પડે ઈ રીતે એના શસ્ત્ર (sastra) weapon એટલે કે વિચાર નાખી દે છે.

વિચારો કે એક ચુદ્ધ ના મેદાન માં મને ખબર ના પડે ઈ રીતે એના શસ્ત્ર ચલ્વ્યા એને 3-4 વર્ષ અને આ ચુદ્ધ ના મેદાન માં એના શસ્ત્ર એટલે કે વિચાર નાખવાથી બચાવ ના થયો એટલે મારા શસ્ત્ર એટલે કે વિચાર ની સામે મારા ગુતણ ને મારવાનું ચાલુ કરી દીધું (મને એના કોલાંડ વિચારતો રોકવા એજ સેકોન્ડે).. કારણકે એનાથી એના હથિયાર થી 1 dec 2012 થી બચાવ થાય એવો નોંતો કારણકે મારા legal data જે સાચા છે એવું બધે બહુ પોંચી ગયા હતા એટલે એને એના વિચાર ના શસ્ત્ર ની જગ્યાએ મારા ગુતણ ને મારી ને મને મારા શસ્ત્ર એટલે કે વિચાર રોકવાનો પ્રયાસ ચાલુ કરી દીધો .....

એટલે કે ઈ મારા વિચાર મા મને ખોટો કહી સકે છે પણ મને મારી ને પોતાનો બચાવ કરે છે 1st dec 2012.....

મારા દુશ્મન પાસે હું ચુદ્ધ ના મેદાન માં હું ના હાઉં ત્યારે ઈ એને ગમે એવા હથિયાર ચલાવે છે (ખોટા ખોટા) એટલે કે એના વિચાર મારા ટિમાગ માં હું જાગતો હોઉં પણ મેં મારું ટિમાગ 5 સેકોન્ડ ઢીલુ મૂકી દીધું હોય તો પણ અને સુતો હોઉં તો પણ એને દુશ્મન વગર નું ખૂલું મેદાન મલી જાય છે .....

એટલે મને ખબર જ ના હોય કે હું કયા area માં બિન લાટેને બાની ગયો

**એટલે મેં આજ ના દિવસ માં જેટલા કામ એને ના ગમતા કર્યા હતા એ બધા કામ હું ચુદ્ધ ના મેદાન માં ના હોઉં એટલે બધા જાલી (નકલી) થઈ જાય અને એ કામ એને નુકસાન કરતા રે નહિ આ ફકરો લખતા મેં મારા ગુતણ માં માર ખાધો**

મારા વિચાર માંથી હું જે ડીવોર્સ લઉં છું તેના વિચાર છુટા પડતા સીખો અને આ વસ્તુ તામારે 24 કલાક કરવાની છે હું કોઈ ગાયન ગાતો પણ નથી અને વિચારતો પણ નથી મારા કયા વિચાર પછી એણે કયું ગાયન નાખ્યું છે વકીલ તરીકે એના પેરથી હું જે વિચારતો હતો તે સાચું છે કે નહિ તે ખબર પડી જાય અને જે વસ્તુ વિચારતા રોકવા માટે મને ઘુટણ માં મારે છે એ 100% સાચી એની હરામખોરી છે

એવું માનો કે મેં પોલીસ કોમ્પ્લેન દાખલ કરી છે કે મારા સરીર (બોડી) ની ઈન્દર હું જે ડીવોર્સ લઉં છું તે બેઠી છે અને હું જો એને ના ગમતું જોઉં કે વિચાર તો એ મારા ગુટણ ને મારે છે એજ સમયે

2-3 વર્ષ એને મારા ના ગમતા વિચાર પછી ગયાનો મારા વિચાર માં ગુસડીને પોતાનો બાચવ કર્યો અને પછી બાચવ કરવો મુશ્કેલ થયો તો મારા ગુટણ ને મારવાનું ચાલુ કરી દીધું અને એ મારા વિચાર માં ગમે ત્યારે ગમે તે એના વિચાર ગુસાડે છે એને એ ધ્યાન

રાજે છે કે મારા વિચારને ખબર ના પડે એવી રીતે

અને મારા જાગતા વિચાર માં વકીલ ના ગયાનો ગુસાડે છે હું ગાયન વિચારતો નથી કે ગાતો પણ નથી

આજે મેં એને ના ગમતા 5 કામ કર્યાં હોય તો મારા ઢીલા વિચાર થાય ત્યારે એ 5 કામ ને એના વિચાર ગુસાડી ને એને જાલી બનાવી દે છે

તમે મારા ગુટલા ને મારો છો એનો મતલબ એવો કે તમે 50 માણસ ની જોડે ફર્યા છો અને સુ સુ કર્યું છે ??? એનો મતલબ એવો ના થાય કે દીપક એ નામ સાચું અને સત્ય છે

મારા વિચાર માં છૂટાછેડા લઉં છું તે વ્યક્તિ એના વિચાર ગુસાડી ને મારું ખરાબ અને પોતાનું સારું સારું નાખી ને આજુબાજુ ના માણસો ની (public around me) sampathy દયા ભાવના લીધી (આ વાસ્તુ એને 24 કલાક કરી હું જાગતો હોઉં કે સૂતો હોઉં) કે હું અબળા inosense દયનીય છું (આ વાસ્તુ એને છેલ્લા 3 વર્ષ કરી અને ઈ વસ્તુ થી બચાવ ના થયો એટલે હવે વિચારતો રોકવા માટે મારા ગુટલા ને મારવાનું ચાલુ કરી didhu 1st DEC 2012 થી) અને હવે જો એને જે પોટા વિચાર ગુસડીને આજુબાજુ વાળા માણસો ની sympathy(કે હું દયનીય છું ) લીધી હતી એના સાચા વિચાર મારા વિચાર માં આવે તો મારે મારા ગુટલા માં માર ખાવો પડે પડે (તારીખ 1 લી ડિસેમ્બર 2012 થી ) .....

. અના પરથી સુ ખબર પડી કે મારા વિચાર ઢીલા (મે મારા વિચાર ને છુટું અને ઢીલું મૂકી દીધું હોય) ત્યારે ઈ મારા વિચાર ને ખબર ના પડે ઈ રીતે એના વિચાર મારા વિચારમાં નાખી ને મને બિન લાદેન અને પોતાને અબલા બનાવે છે

આ બધું કશું નહિ પણ નાગો બચાવ છે

જે માનસ મારા વિચાર ( જે યુદ્ધ નું મેદાન છે) માં ગુસીને ને હું પોટો છું એવું નાખી સકે છે ગમે તે સમયે (જાગતા કે ઉગતા ) (તારા ફળિયા માં પગ નહિ મેલું ની જગ્યાએ ) અને ઈ માનસ આપું 3-4 વર્ષ કરી ને પોતાનો બચાવ નથી કરી શકતું એટલે મને વિચારતો રોકવા માટે મારા ગુટલા પર મારવું પડ્યું એટલે હું પેહલા દિવસ થી સાચો હતો નહીતર મારે માર ખાવાનો વખત ના આવ્યો હોત

મારું એને ગમે એવું (પોટું) (મારુ સરીર પુરેપુરુ અધિકાર લઈને ) પીકચર બનાવે છે। સાચા અને જુઠા ની રમત માં મારી પાસે 1% જુઠાણું નો હક નથી અને એને છેલ્લા 3-4 વર્ષ મને વશીકરણ કરી મારા વિચાર માં (જે યુદ્ધ નું મેદાન છે) એમાં મારી સાચી વસ્તુ નું ખોટું કરીને પોતાનો બચાવ કર્યો અને પછી એનાથી પણ બચાવ ના થયો એટલે મારા વિચાર ને રોકવા માટે મને ગુતન પર મારવાનું ચાલુ કરી દીધું

હું કશું પણ વિચારુ એટલે એ માનસ એનો જવાબ ગાયન થી આપે છે એટલે મારા વિચાર એને ના ગમે તો એના પછી વકીલાત તરીકે એ ગાયન નાખે છે। હું ગાયન વિચારતો નથી કે ગાતો પણ નથી . દા ત હું કશું વિચારું અને એને ના ગમે એવું હોય તો એની પથારી ફરી એટલે એ વકીલાત તરીકે તારા ફળિયામાં પગ નહિ મેલું નાખશે એટલે તારા ફળિયામાં પગ એ ગાયન મે જે વિચાર્યું છે તે સાચું છે એનું પ્રમાણ છે। આવી રીતે એ કોઈ પણ ગાયન વાપરે છે

એને એને જે વિચાર રોકવા માટે(જે સામે વાળા ના કોભાડ છે ) મને ગુતલા માં માર્યું એ વિચાર 100% સાચા અને એની હરામખોરી છે (એજ સેકોંડે (સમયે ))

એટલે તારા ફળિયા માં પગ --> ખાલી એટલું કરી ને બેસી રેહશે કે પછી મારા વિચાર ઢીલા(relax) હોય તો મારા વિચાર મારી ગાડ મારશે ???????

એટલે મને એવો રોગ થયો છે કે જેમાં મારા વિચાર મારી ગાંડ મારે એટલે હું આનંદ સહેરનો બિન લાદેન વડોદરા નો કસાબ આખી જીંદગી રેવાનો (કારણકે મારા વિચાર મારા નથી દુશ્મન ના છે એને એ control લઈને ગમે તે કરી સકે છે .....

એટલે તમે મને છેલ્લા 3-4 વર્ષ મારા વિચાર ને ઈલેક્ટ્રિક શોક આપ્યા જે ગાંડા (અસ્થિર ) માનસ ને અપાય અને પછી એ પણ ના

ચાલ્યું એટલે ગુલબ ને મારવાનું ચાલુ કરી દીધુ તો તમે આ વસ્તુ પૈસા થી ખરીદવા માગો છો ?????????? આ જે કચું છે એ ની ગણતરી પૈસા થી થાય એવી છે ??????

મેં ડીવોર્સ લઉં છું તે માણસ થી એના કોભાડ વિચારું તો પછી મારા સારા વર્તણૂક (good character with any girl ) પર અને જોબ માં મારા ગુલબ પર માર ખાધો છે ....

visit website <http://www.srlworld.com/> and then click on Login link and then enter User Name: BHARM0810780 and Password: bhargav after that you can see my all lab medical test report that i execute and remaining all medical reports that i execute in front of 50000 people with fee receipt is available for download at <http://sdrv.ms/19YtySM> or <http://goo.gl/Mc3g1x> or <https://docs.zoho.com/file/z1g209204f8c0363646acbab5de08a557d466> and make sure I do not want any abnormal changes due to Bhargav Bhatt Human hacking by divorcee...

My knee and chest report is perfect healthy but my mind full control is in divorcee or her child so from my mind they pass the pain in my knee and chest via connected veins because my knee MRI and chest angiography is healthy and I have a pain in my knee or chest on same second when my thinking adversely affected to divorcee directly or indirectly and I fell the pain 50000 times with second accuracy and without this psychology their is no pain so i need a best neurosurgeon who can identify how to pass the pain via connected vain of knee and chest and then he can able to remove this nonsense by removing the thinking segregation part from my mind and 90% that part is passing the pain to my knee and chest or delegating the this nonsense work to some other part of my body so pain has a higher priority in mind so I will divert towards pain and thinking that going flawlessly inside my mind gets disturb because that thinking is 200% adversely affected to divorcee directly or indirectly so divorcee doesn't want to be a naked inside my thinking so try to stop adversely affected thinking on same second with knee pain or chest pain .By this second accuracy pain only 2 person in this world can benefited one is divorcee is trying to save her character and another is her child try to save her character and no body in the world can benefited by this. So I not required knee specialist or cardiologist for chest I require neurosurgeon of mind that can analysis this and remove this and for this best neurosurgeon is required because knee specialist and cardiologist can not save my knee or chest if I need my every part of my body healthy then my mind pass the pain in my every part of my body so if we removed that nonsense part from my mind then their is no pain in my any part of my body because every part is healthy .. Now every child that comes in front of me then his mind becomes superpower and he can think 10 times more then normal age person and he

bypass right wrong and try to save divorcee character by same psychology as person who hacked me internally so right now I gave 70% to divorcee child and 30% to divorcee contribution towards my knee and chest pain. So My nervous system is hitting my every part of body so I can be paralyze in future..

My knee and chest report is perfect healthy but my mind full control is in divorcee or her child so from my mind they pass the pain in my knee and chest via connected veins paisa lidha pachi tame tamare raste ane hu mara raste eni jagyae mane nukshan thayu to jail ma javu padshe

Lifetime you guys are able to see what i am see and can analyze what i think on ongoing basis still i have no issue after removing direct hitting power to any of my body area

If i check the emails just around date 1st dec then all legal data is in the market and there is no legal loophole in my profile on 1st dec onwards so superpower start hitting my knee and i go for knee medical test on 24 dec 2012 and start medical war from that date onwards and uptill now i collect 50 pages of medical report so do not dare to hit me against that report..... u will be no more.....

there is an abnormal material inside my mind that separates my thinking that adversely affected to divorcee and on that second that material generates abnormal hyperintensity or something that can pass up to my knee or chest

and can generate pain in my knee(via any connected vains) sooooo due to pain has higher priority in nervous system i divert towards pain and my thinking that going flowlessly inside my mind gets disturb so i got punish due to some other person work this all process goal is to do not want to naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stoping this nonsense power and cheated me <http://sdrv.ms/19YtySM> or <http://goo.gl/Mc3g1x> or <https://docs.zoho.com/file/z1g209204f8c0363646acbab5de08a557d466>

**If you let me know this knee and chest hitting power when you are in front of me then even if CID is my neighbour then also I will cut your legs and chest legally in my home and CID will not get single proof like me right now I am spending 10000rs behind medical reports to prove your nonsense legally but right now after 1 year I am at the stage that I can prove you nonsense on paper right now but if you let me know this before then you will not get legal proof after 9 years and I will cut your legs and chest both..... So guys you suppose to do risk management of everything first do the impact analysis first like did you try to hit me in front of me before and then you are doing this for ILU bull shitttttttttt**

you have playboy brasil and boxing and snake of the name ajay balram tiger lion rape balatkar karamsad pavagad skin care hair boobs bra HIV Aids etc this is your excuse for next war.....

another excuse in the war you are doing is the If i am gone a use any company product then you are gone a try to show me same domain another product with dipak and dipak ni ma or you can try to compare that product with dipak and dipak ni ma so as per my thinking this type of baggers (bhikhari vidhya) instead of that mind playing company can gave direct money to that person and fuck that bloody hell and have fun so enjoy.....

Most important is the live advertize in all TV channel live mind playing with TV channel and cameramen inside TV will work for me and in between break every adds will be for my mind playing..... like if i am in front of tv then adds will be of to convert bhargav towards divorcee..... and try to prove that is the best person in the world..... that is why i love to spend time on my internet insted of live mother fucker mind playing insted of being fresh and work more

another most imp things you people are gone a do to convert divert and modify bhargav into divorcee direction is play the songs according to meaning force fully even if i am sleeping you are gone a play a songs and you are not allowed to me to sleep and you people use songs for dadagiri (to scream) the bhargav so have fun and use it but not when i am sleeping

the person who can damage my knee if i think adersely on that fraction of second (5000 times)then that person

can create a tumor inside my body if she wants so that is why whole body CT scan is require as a risk management

If I am thinking for 5 min continually then in between that 5 minute 5 second is divorcee person is injecting her thinking to kick my ass so if you not able to saperate that 5 sec from 5 minute of my thinking then bhargav gone a be a bin laden without data and right now if i think that is dadely adeversely affect that divorcee then that person loos the control because "tara faliya ma pag" will not nullify that and that is dadely dangerous thinking so that person going to harm my knee to stop that thinking (big bull shit protective protection ... that person do not want to be a naked inside my thinking so stop that thinking on that second that person gone a hit my knee and i am gone a feel a pain in my knee on that second)

atyere me 27000 hrs no total loss prove thai gayo because just now i find the songs in my sleeping that is not a tall my mind thinking at all this proves that this loss is 24\*7 and i use to find this 1 year 2 year back even mara vichar me ene jivti rakhva mate na songs hata if i am not wrong so 27000hrs total loss mental hareshment career loss and financial loss and then this is not enough so knee pain (etle tame mara vichar no control no use etlo karyo ke mane unghva pan nathi didho) ungh ma pan schology ej follo thashe je jagta thay che su vicharya pachi kayu song avshe e jagta ane ungha tame check karo barabar have mane ungh na avvani bimari che ke pachi biji bimari mara vichar mari gand mare evi bimari che ane biji bimari evi che ke pachi ene je vichar mara vichar ma nakhya hoy e dhayan thi nakhya hoy che ke mara vichar ne khabar na pade etle mane yadsakti(memory) no pan problem che because je mara vichar na hoy ane mara non consiouse vichar ma nakhya hoy to mane yad na hoy etle mane yadsakti(memory loss) no pan problem hoy right.....1) sleep issue 2) my thinking will kick my ass 3)memory loss right or something else.....etle mane chella 3-4 year aa badha rog thaya hata ke pachi hu tamari heroien na javathi depresion ma avi gayo hato... bonchod 3-4 year mari eak eak second gand mari che ane pachi aa badha rog thi na bachayu etle marvanu chalu kari didhu etle eni aukat etli che ke e mari same akhi duniyane mara dusman tarike ubhi kari sake che jo mara kobhad male to gayo pan artificial pan kare che

Bhargav Bhatt gets pain in my knee while I did something that is my good character and on her bad character and on my job work that politically affect the other person----> This is bullshit protective protection of divorcée person using nonsense superpower that i can not control So I have only one solution when i think or did something that adversely affect the opposite person in my thinking at that time that person try to harm my knee so i suppose to see my fucking video(indirectly that is been seen by divorcée as per above nonsense) with paid prostitute and watch that video at least same time as that person hit my knee. Details of mind hacking is as below..

EVERY PERSON FORM ALL OVER WORLD SUPPOSE TO CHECK THAT WHEN I THINK SOMETHING IN RELAX MIND AND IF THAT THINKING ADEVERSELY AFFECT THE DIVORCEE PERSON DIRECTLY OR INDIRECTLY THEN SOME POWER WHO HAS A CONTROL ON MY THINKING TRY TO DAMAGE(HARM) MY KNEE(AND I FFEL PAIN IN MY KNEE) AND YOU GUYS FROM WORLD SUPPOSE TO UNDUSTAND THIS WITHOUT MY ATTACK WORD IN MY THINKING AT THAT MOMENT LETS PLAY WORLD ELECTION ON THIS THEIR IS TWO THINGS CAN HAPPEN ONE I AM PROVEN TO BE MAD OR OTHER THAT SUPER POWER AND THAT PERSON IS MOTHER FUCKER SO U GUYS SUPPOSE

TO DEVELOPE THE SKILLS SET THAT U CAN FEEL MY KNEE WHEN I FEEL PAIN LETS HAVE A DEAL PROVE ME WRONG IN ABOVE STATEMENT AND i HAVE NO ISSUE WITH DIPAK AND DIPAK NI MAANY COMPANY CAN PROVE THIS TATA BIRLA AND DHIRUBHAI NO ISSUE EVEN THAT PEROSN IS NOT SITA AND I HAVE NO JOB PERSONAL OR FINACIAL CURRUPTION I WILL ACCEPT THAT NO ISSUE PROVE ME WRONG IN ABOVE STATEMENT.....ANY COUNTRY CAN PARTICIPATE IN THIS CHALLENGE AS PER MY KNOWLEDGE THEY CAN UNDUSSTAND THIS BUT TRY TO HIDE THIS MATHS SO INDIA IS NOT GONE A PARTICIPATE IN THIS CHALLENGE.....AND AGE OF 1-5 YEARS HAVE A CLEAR KNOWLEDGE OF THIS THINGS THEY HAVE A COMPLETE IDEA OF THIS SO U GUYS CAN HAVE A KNOWLEDGE OF ON WHICH RIGHT RELAX MIND THINKING(THAT IS HER CURREPTION 100%) ON WHICH THAT SUPER POWER NI gand FATI JAY CHE AND LOSE THE CONTROL AND TRY TO HARM MY KNEE BECAUSE THAT PERSON DON'T WANT TO BE NAKED IN MY THINKING TRY TO STOP MY THINKING AT THAT TIME.....SO WHEN THAT PERSON BECOMES NAKED(NAGI) AT THAT TIME SUPER POWER LOSE THE CONTROL AND TRY TO STOP ME THINKING AT THAT TIME BE DAMAGING HARMING MY KNEE AND I FEEL A PAIN IN MY KNEE SO I SUPPOSE TO STOP THAT THINKING (THAT MAKES DIVORCEEE PERSON NAKED).SO IF U GUYS MAKES A REPORT OF ON COLLECTION OF THINKING ON WHICH THAT SUPER POWER TRY TO HARM MY KNEE THEN U HAVE A LIST OF (DIVORCEE)HER CURREPTION IN UR HAND AND THIS PROVES THAT ON HER CURREPTION SUPER POWER DAMAGING MY KNEE THIS IS VERY GOOD LAW (THAT I AM GET PUNISHED DUE TO ANY OTHER PERSON CURREPTION)IF U GUYS DO MORE PRESIZE (MORE)MARKETING OF BHARGAV BHATT THEN U WILL GET MORE CURREPTION OF HER(DIVORCEE) PERSON SO DO RIGURUS WORK OK....AND IF ANY GURU OR BHAGVAN COME IN FRONT OF ME WITHOUT SOLUTION OF ABOVE ISSUE THEN MA CHODAVA JAVANU MARI SAME NAHI AVVANU IF I AM HANDICAPT TO FIND THE SOLUTION OF ABOVE ISSUE AND THAT GURU IS OF MY TYPE THEN THAT GURU OR BHAGVAN WILL NOT BE ENTERTAIN FROM MY SIDE OR IF THAT GURU SEND A PRSOTITUTE WITH CAM CODER THEN I AM FINE WITH THAT GURU( AS PER MY TECHNICAL KNOWLEDGE)

i AM FINE WITH ANOTHER GOOD PERSON GIRL HAVING NEAT AND CLEAN PAST 10 YEARS DATA(COMPARING MY 10 YEARS DATA) AND WITH OFFICIAL RIGHTS THIS POWER WILL REMOVE THIS DEAL IS ALSO FINE WITH ME.....(DUAL WORK IS ALSO FINE WITH ME) I WILL NOT ALLOWED ANYBODY TO USE THIS AS WEAPON AND TRY TO INJECT NONSENSE IN MY LIFE ONCE AGAIN..... BECAUSE U R 100% WRONG AND U HAVE BULLSHIT POWER I WILL NOT ACCEPT ANY THING AT ALL(AND U TRY TO BE A SITA WITH MY KNEE PAIN THAT IS NOT GONE BE ENTERTAIN AT ALLL)AND AS A TESTING OF ANY NEW CITY AND COMPANY IN ANY AREA(AS A RISK MANAGEMENT OF THIS KNEE PAIN POWER) i WILL USE PROSTITUTE LEGALY(WITH MY MONEY) ON DAY ONE OF THAT NEW AREA OF THAT NEW CITY SO THEIR IS A NULLIFICATION OF ANYTHING ELSE GAME IN THAT AREA OR COMPANY MY MOBILE NO IS 7383794770

their is lawer of opposit person inside my body who has a rights to inject songs after perticular thinking (lawer songs)I never sing or think any songs my self My memory never thinks any songs but after perticular thinking that affect the opposite person at that time that lawer inject meningful songs inside my mind to play polotics inside my mind Lets say I did some work that adeversely affect the opposite person but I am full consious control of my mind then that power try to nullify that good work after some time when i have loosely coupled mind and try to make that natural wrok that affect that person to artificial by hook or crook like that power can inject that i mad a plan of that so that work becomes artificial above statement proves that I am gone be remain bin laden or latif without prtcal data for my hole lifee.... I can't do anything in that..because power can make me bin laden with super power by injecting what ever he wants inside my mind at loosely coupled mind(most imp) loosely coupled mindddd.....above power is being used since 2-3 year now now this power has no meaning and i have nothing wrong in my profile so on my relax mind thinking if her curreption comes then that power start harming my knee

shirdivale and swaminarayan can tell me wrong if they have dare to to that....so this proves that their is power try to makes me MAD since 2-3 year and because of my good past data that power becomes MAD and now that power start hiting my knee and this is internal power sitting inside me and another collection of people of age 1-5 years have a complete knowledge of this thing works from outside with 100% same pchology (nagai) both are bonchod I will promiss that dipak and dipak ni ma choadai nathi evu publik ma batava mate mari life ni ma chodi nakhi ane hu mari jaish to pan dipak ane dipak ni ma ne entertain nahi karu.....and at this time proves that that super power is bull shit and I am 100% right from day one..... that is why this day comes.....otherwise this stage never comes lets gave u example that if as a lawer if i think something very right then as a political defence "tara faliyama pag nahi melu" bane che.....on very right correct statement after this much chutiyapa if any company try to interfeare in my personal life then i will not entertain JP morgan, golman sachs or any big bank because I have no legal curreption in my life to entertain that company even if they have personal interference..... and even if you want my job curruption then visit naukri.com, monsterindia.com or timesjob.com and have funnnnnnnnnnn if u have personal interfearence.....That super power hit my knee on her curruption that proves that peli pedaiash me chodi ne peda kari che right.....now it is time to play song " AA DEKHE jara kisme kitna hai dum"

I can work 30 different city in 30 day in india but on right equation they play india ni ma..... and this pchology they repete 50 times and this event is of count no 51 (if i am wrong then shoot me) jab jab ma fadti hai tab tab india ke song bajte hai or god songs is also of same type(pchology jab gad fadti hai like in mornning 9am).....lets say with all this knowledge if i gone a visit 30 city in 30 days then who is gone a suffer..... think over it and gave me answer and after anylisis of above answer tell me that i suppose to work as a travelling jobbbbbbbbbbb If the lawer (my biggest anymy(dushman)) who has my current futute and past on the second(sitteing inside my body) then can any big company or minister can become bigger then that dushman...tell me with after presize analysis.....baza zate lagyaNow let me know that duniya no koi minister maro dushman bani sake?? I know this thing since long back but not disclose because u not try to hit me(and i do not want to be a hero for illiterate persons..... but now u bypass true equation and try to hit me..... that is why this things comes in to market If am not 100% right and stable mind then I am at mental hospital of agra.... their is no alternatives of that check the lawer mentality that when that lawer inject tara faliya ma pag ,, nile nile ambar par, then bichuda(like yesterday) , hasino ka diwana so u ned to check after what type of thinking they inject this songs so they inject that songs then what is the meaning of that songs according to thinking that just pass in my mind and compare that with lawer pchology.....tara faliyama pag is a confirmation of any right thinking I have a felling that 1-5 year old collection are doing this..... because they know everything form day one and 100% same pchology that i feel from inside super power If you find one single curreption form 100000 cases that happen (charge by respective women)every year in india and my single line is wrong then i will accept what ever u want

so compare the bhargav with 1000000 blames(10 lac divorce cases) that been charged by every women in india and if you able to apply single to bhargav then let me know.....and anybody let me know my single statement is wrong then i will accept everything(i not write anything vakilat only truth).....Bhargav Bhatt is a supreme court and in my consious mind u will have a perfect output (because all lawer sitting inside me)If every body can segrigate super power forcefully(politically) injected thinking in my thinking then everything becomes smooth.....(any most imp looseley coupled mind)My thinking is not my thinking lots of time so if everybody in the world can segrigate that one then no issue in life...

every company and city gone a entertain without dipak and dipak ni ma if any body tells me in front of me this then I will speak MOTHER FUCKER to that company CEO and city for my hole life no issue.....but if u not stop this

company tells me that my single word from my written divorce pition inside the court is wrong then I will work for that company free for whole life(without salary).....Accept my deal.....gave me any job with more money in any industry with more money(most welcome) with my right CV data.If any most currepted CA from india tells me that he can do a curreption of 1rs from 50cr salary person then i will be working free for hole life for that person.he will charge 150rs for 15000 salary person and same 150 rs for 50cr salary person.and no company in india will gave you a salary without deducting tex upfront.so u will get the salary after deducting tax onlyyyyyyyyyyyyyyyyyyyyy I not did business in my hole life and if i did a forex recently then that company allow india country legally and I gave correct document and then I am not comes into picture company comes into picture.....I am going for company in the mornning with resignation in my pocket everyday.....and this thing will remain for whole life.....I will sell my 8hrs without kamchori.....I will not sell my personal life for my hole life..... have fun.....I will speak Mother fucker to any city any big company CEO(with big salary) if he try to interfear in my personal life so do not come close to me for other then 8hrs.....I will not allow any GOD (bhagvan) to interfear in my personal life and GOD and Bhagvan selection will be done by MOM and DAD onlyyyyyyyyyyyyyyyyy not me.....If any most currepted CA from india tells me that he can do a curreption of 1rs from 50cr salary person then i will be working free for hole life for that person.he will charge 150rs for 15000 salary person and same 150 rs for 50cr salary person.and no company in india will gave you a salary without deducting tex upfront.so u will get the salary after deducting tax onlyyyyyyyyyyyyyyyyy I not did business in my hole life If anybody wants me to study further then that person suppose to gave me 5times CEO(any industry) salary every month in my account so after finshing the study this type of enviroment will occure(even if i do not find the job) then also i will eat and sleep using that money..... and without any balance no study is possible.....I have a Bajaj super scooter and if anybody wants me to buy bike then that person suppose to buy my old scooter at new brand price(with registration passing and assesories included) then i can think over that deal On my statemet that even after your bad character proof I accept everything inside the nadiad court then that person replies that I not did fight on that event and now if this events details comes in my thinking then some super power that lives inside me that power on that second try to harm my knee joint... and this is bullshit power and according to my guess this is some god super power so i try to eat eggs to solve this issue but not get the output now I am thinking to use prostitute and take a video of that and I am gone a see that video 5 times in a day so nonsense power inside me will have fun and he will leave my body.If anybody in the world have any other solution then let me know as soon as possible because my left knee is allready suffeing from pain.....right now on my thinking that i can take a part of athletics that power hurt me because if this proves that my knee is very healthy then this curreption gets exposed recently at anand bus stand I catch the bus that is left the bus station and running at full speed at that some i see some wierd faces because they want to prove that i have a knee problem by default and no super power is damaging my knee....If my relax mind think anything that hurt opposit person in any direction then at that second that power that lives inside my body hurts my knee joint....If my relax mind think anything that hurt opposit person in any direction then at that second that power that lives inside my body hurts my knee joint....to prove this statement check when i use attack word in my thinking and check the thinking that comes 2 second before my attack word.....and match that thinking with above statement like that hurt opposite person or not.....now u have everything so gave me more money job with my right education and right experience you have this power and you use this power after every other area of politics is finish like job and financial curreption and since 2-3 year you use only mind manupulation and now you are in final stage then you start hurting me physically(knee joint)....

---

On my statemet that even after your bad character proof I accept everything inside the nadiad court then that person replies that I not did fight on that event and now if this events details comes in my thinking then some super power that lives inside me that power on that second try to harm my knee joint... and this is bullshit power and according to my guess this is some god super power so i try to eat eggs to solve this issue but not get the output now I am thinking to use prostitute and take a video of that and I am gone a see that video 5 times in a day so nonsense power inside me will have fun and he

will leave my body. On my statement that even after your bad character proof I accept everything inside the nadiad court then that person replies that I not did fight on that event and now if this events details comes in my thinking then some super power that lives inside me that power on that second try to harm my knee joint... and this is bullshit power and according to my guess this is some god super power so i try to eat eggs to solve this issue but not get the output now I am thinking to use prostitute and take a video of that and I am gone a see that video 5 times in a day so nonsense power inside me will have fun and he will leave my body.(meaning of this is that power has a control on my thinking and if I see my own fucking video then that power will leave my body...) To prove this just check that I use word attack when I feel pain in my knee and you people suppose to go back 2-3 second in my thinking and check that thinking at that moment is in relax mind and must harm opposite person in any way.....so this prove that some superpower harm my knee if i think against her..... one more point if i plan artificial like that then you must get the planning thinking in my mind so i don't think this type of super artificial person is possible. e.g I am gone a think anything against her and i want to prove that statement right and artificially i speak attack in my thinking so i will use prostitute and according to me right now i am not loyal and binded to anyone and for legal work this much chutiya i am not gone a do.....so right now I am using attack word and i use to go back 2 sec back in my thinking and that must harm opposite person in any direction politically (that is not right as per some people) so if i feel some more damage in my knee and i go for same report once again then at that time doctors from all world can compare my old healthy report with new damage report and they can conclude that this much damage within this much small time frame in a healthy person is not possible so this attack word use by Bhargav is not a tall wrong..... so this proves that I am punish due to I think other person corruption in relax mind (that is not done by me) across the world.....their is no game of vote when you guys not able to segregate my thinking with super power injected thinking in my mind ( and that person make the public full by injecting his thinking inside my thinking and making me bin laden and when i think something in relax mind that affect the opposite person then try to stop my thinking by hitting my knee) I am not even know that when thing is just pass through my thinking if i try to find that then their is nothing from my mind so that power precisely inject his thinking inside my mind in such a way that Me Bhargav Bhatt not gone a come to know(in my non conscious mind) that and make the public full..... and on correct thinking that gives the public correct picture on that event try to stop me by hitting my knee I have no single job curreption in my life so any small 5 person company can hire me for my only 8hrs without Dipak and dipak ni ma and no big company in the world like bank of america can interfere in this current small company with data that u can not hire bhargav without dipak and dipak ni ma because I have no single wrong thing in my all past company.....mara kaya vichar pachi as a opposite person lawer e kayu songs mara vichar ma nakhe che ena uperthi me je vicharyu che te sachu che ke nahi te khabar padi jay and e lawer e mara kaya vichar ne rokva mate mara gutan per endarthe gushine nukasan karyu che to ene je vichar per mane gutan nu nukshan karyu che e 100% correct and eni madarchodi che sauthi mota chutiya e che ke me jo koi saru kam aje karyu hoy to ena vichar farithi mara vichar ma gusadi ne e kam je saru karyu che ene artificial banavi de che.....vichar e war media che ane hu gayan vicharto nathi ke gato pan nathi to pan gayan mara vichar ma ave che and jo hu opposite person nu kobhad vicharu to mara gutan gaya so jo koi kam relax an e natural dimag thi kari nakhyu hoy to ene super power mara vichar ma enu pre plan nakhi deshe so that natural work becomes artificial and that person remain intact vichar e war playing filed che ane ema opposite person na real facts per e mara gutan ne mare che to e war plaing filed ma prostitute with bhargav moovie bane che aje peli bhuri ni ma ne khush karvani hati eni jagya e ni ma e dukhi kari didhi jo me ene kharab nazar thi joi ne chodvanu vicharyu hot to eni ma ne gamat.....vichar e war playing filed che ane ema opposite person na real facts per e mara gutan ne mare che to e war

Bodyguard of age 1-5years and bodyguard of age of 5-100years (including all heroine of age 20-30)all suppose to like My Sania and that is compulsory for all no excuse will be accepted and if you don't like that then go inside the bodyguard ass don't come near to me simple you can think positive like even if i am not eligible for CEO or CFO position but still after execution of divorce you will get benifited by certen percent of amount so gave me that position and gave me in written that this position is not gone a touch by anybody after divorce for my hole life so everybody in win win situation divocee(person who i am taking a divorce) Me and sonia all happy you guys take my existing job because i am not accept divorcee and on that plan i am gone a take a loan for bike and home so i will be bankrupt in few days right let me know that your every person chield know very well that in my case opposite person is bullshit and then they are trying to save her by politics by sam dand bhed i am catching this with 10 ft distance then if that thing is physibile to talk with me practically Law speak that I will not work for other then sonia 30 helicopter and 3 helicopter is your(divorcee) legally you can gave me CEO position in any industry and you will get percentage of that and make sure that position suppose to be maintain after divorce(do not try to make me full) and everybody gets happy ME sonia and divorcee all are happy..... you guys not call me after 500 job application and job site is goes down because of saving divorcee I will not have a loan(liability)(Udhari)(remain liquide and liquid asset) for hole life so any company can think beyound my 9hrs job then I can cick off that company with bang and i can speak mother fucker to any compnay any point of time for hole life if any compnay try to think beyound bhargav hardwork job so have funnnnnnnnnnnnnnnnnnnnnn by all company all over the world As a legal work their is three possibility of curreption in a person who did a job for hole life 1) Job Curreption(any wrong document) 2) Financial curreption(income tax) 3) personal curreption (affair with someone) so if anybody can not find any of above this then their is a another alternative to kick my ass is gave me more money in any industry so you will get more money in divorce(official legal work) but you can not force me to do a job with condition that if i accept the divorcee in my personal life then you will gave me job (that is illegal from my side and i will not accept any illegal work i will disclose this in front of world that I will not accept or not gone a do a job with personal interference) that you suppose to play as a different war at different place you can not interfere in my professional job life. their is only one game bypass right wrong by putting my company in clutch and after that their is no scope of playing right wrong with me As a legal work their is three possibility of curreption in a person who did a job for hole life 1) Job Curreption(any wrong document proof of hole life is legal is visit <https://nationalskillsregistry.com/> and then click on "Access your Profile" link on that webpage and Now enter ITPIN as 801007403837 and Login Id as bhargav and Login Password as Bhargav@4 and then My profile view profile and see my all education and employment is verified by Background checkers by NASSCOM.....) 2) Financial curreption(income tax -->I have tax filled form from CA) 3) personal curreption (affair with someone and as per my knowledge I don't have it) so if anybody can not find any of above this then their is a another alternative to kick my ass is gave me more money in any industry so you will get more money in divorce(official legal work) but you can not force me to do a job with condition that if i accept the divorcee in my personal life then you will gave me job (that is illegal from my side and i will not accept any illegal work i will disclose this in front of world that I will not accept or not gone a do a job with personal interference) that you suppose to play as a different war at different place you can not interfere in my professional job life.what type of power is required for tara faliya ma pag nahi melu on second injection right(as a timer lawyer) and do u think that that lower knows only tara word faliya word and ma word and pag word that lower makes my every natural work that is adeversely affected to her to artificial and political using mind injection power(and as per my knowledge this type of techi is very less in the market that interpret this) and as per my knowledge i am gone a be bin laden today tomorrow latif and day after tomorrow kasab because my mind will kick my ass (by super power) and (that is not for me because my mind does't even able to catch that what happen just back 2sec in my mind) that is a sopari given to the other people(talented

people) to cick my ass without my consious mind knowledge My Mind and thinking is war playing field so If i see anything then means that is seen by my hacker who is injecting what ever she wants inside it so as a counter atck what should i see and that will be indirectly been forcefully seen by divorcee so bhargav suppose to see my naked movie with prostitute 50 times in a day as a counter attack because that person is making me bin laden and making m mad since 2-3 yeas and my knee pain on her curreption is the perfect counter attack for that madarchod If my relax mind think anything that hurt opposit person in any direction then at that second that power that lives inside my body hurts my knee joint....to prove this statement check when i use attack word in my thinking and check the thinking that comes 2 second before my attack word.....and match that thinking with above statement like that hurt opposite person or not.....you have this power and you use this power after every other area of politics is finish like job and financial curreption and since 2-3 year you use only mind manupulation and now you are in final stage then you start hurting me physically(knee joint)....

just learn to segrigate my thinking with my mind hacker divorcee injected thinking and you will see my every natural work will be converted to artificial work by thinking manipulation whole life mari badhu investment cash hashe ane koi pan company mara power no miss use karshe other then 9hr hard work to mane reliving ane experience latter levano man na thavu joie ane aa vastu personal war pachi pan chalu rahshe because badhi company ne mara loophole khabar che ke mane clutch ma kevi rite mukay now ramo jem ramvu hoy em I gave a smile to inosense person of age 1-5 and after that gave me same output that sila ki javani at different place at nadiad city and they know every truth of bhargav bhatt that i am right line by line that i put a blame on her and after that they are working in sysnc with my mind internal chutiyapa bodyguard so they know all chutiyapa of my mind and going against that true data and try to save her by sam dand bhed so one is playing with me from inside and other are doing(age of 1-5 and other are free) the same work from outside and if you let me prove wrong on this then i will work free for that company no issue so prove me wrong right now..... and they know the my mind injection more then anybody like they know other then tara faliyama pag nahi melu like divorcee makes me bin laden on my non consious mind artificially and and all techi do not got that and if my consious mind come to know that then chis nikli jashe emni because they wants to save that person using same chutiyapa ---> prove me wrong me je ashepo mukya che ane 8-9 page ni nagai inosense ane abla na maths che???????? jo koi pan songs ma heroien dance kare to suva male ane song bandh thai jay etle aa songs na matlab thi bhargav rand vichare etle aa song ane aa song na meaning thi bhargav rand ni ma vichare etla mate me 1hr tran journey ma uper na male suva mate 3 daba badlya hata suta suta chut ni ma chode ane suva na de bonchod now aa bhargav e nathi ke aa songs etle rand ane aa songs etle rand ni ma aa bhargav I want this I have this only works.....what is the weight of this statement that if i have a personal curreption in my past life then this nonsense power will not miss use me right now in current tense and that power will inject that curreption in my mind like tara faliya ma if that after not able to find my past curreption and that is supported by her crystal clear life( no personal curreption ) then also this current cutiyapa will not be done because that person can save herself with bang supported by her data.If I am not get the job on 100% right CV data then manager will be change after some time my coligue will be change and new manager and couliue will try to inject personal matter inside bhargav Bhatt and at that time if i have 1% wrong data in my CV or not having a mastery on respective technology then I will gone from that job because they desperately play personal war so Bhargav suppose to work with 100% master data so no scope of playing a personal war with me even that company is relative of opposite person then also i will take money and execute whatever i wantGAVE ME 5CR MONTHLY SALARY AND THAT SALARY AND POSITION SUPPOSE TO BE INTACT AFTER DIVORCEwhat you can do is gave me job as per condition that you can not fire me and i can not leave that job so you can find my past job,personal and finacial curreption from my mind thinking by sitting adjesent to me so you will get more presize curreption and you can play with my mind to get the curreption and if you able to find then you can kick my ass and I got the salary that is enough for me so think over this deal I have a disease that my mind thinking kick my ass when i am in loose control of my mind like sleeping right or Rand is injecting nonsense when i have loos control.. Just learn to segregate my mind created thinking and divorcee person injected thinking inside my thinking so there is two type of thinking inside my mind one is created (initiated by bhargav bhatt own conscious mind) and another is thinking is being injected by divorcee person (for any cause like making any work that is being done by me before 2-3hrs and that work is adversely affected to divorcee so divorcee person try to nullify that adversely affected work that is being done by me when I have loosely coupled mind like not having the control of my conscious mind so my mind doesn't know(what thinking is being injected inside my mind even if I try to go back inside my thinking I will not find anything there is a blank data) how my natural work is become artificial and now that work not gone a adversely affected to divorcee person at all because that work becomes artificial by that divorcee person thinking injection inside my mind like I made plan or that is not the actual plan of my thinking and this is my plan(that is nonsense) so that way that person remains best in the world inside my thinking and I am gone be remain nonsense for whole life in every area of corruption(but that is not supported by practical data ( onpapper )so I am gone a be a binladen for whole life inside my thinking but not supported by on papper proof so not much issue) .....so this is a generic think that can be applied to any live scenario so you suppose to think this way that you are a divorcee and you are gone a save yourself using two type of power 1) thinking injection (when I have loos coupled mind or lower song after any particular thinking that adversely affect to you) 2) hit(harm) my knee if you are in big trouble like my thinking is very very adversely affect to you then you can stop my thinking at that moment by hitting my knee so I will stop that thinking so if any person think that I am divorcee and I have full access of what I am doing all the time then you can protect yourself by using above two power at priority like first you use mind injection and in most adverse condition you will use 2nd power that is hit my knee to stop that thinking then everybody in the world can guess that what will happen next in my mind or profile.so that person use the mind injection 1st power for last 3-4years and now instead of making me mad that hacker becomes mad due to my best past work for whole life that person use knee hitting power after 3-4 years Meaning of that thing is you kick my ass for 3year \* 365 \*24=26280hrs in my life that many hrs you spoil my mental state and carrier and financial loss So this proof of data conclude that the blames i put on her on day one is wrong and due to that I am suffering in my knee..... or i am right from day one that why this trade becomes execution and thats why you protect yourself by mind injection and making me MAD since 3-4 year and now because i am 100% right and my blames is right that why you hurt my kneeeeeeeeeeeeeee..... so This is the karma war(work done by me and divorcee in the past) and no bhagvan(GOD) or mataji can bypass this and no body can alter this the past work will be comes as punnishment to that person 100% with bang..... Meaning of that thing is you kick my ass for 3year \* 365 \*24=26280hrs in my life that many hrs you spoil my mental state and carrier and financial loss. There is a 10 lac divorce cases per year in india and if we consider 10 lac divorcee women put a 50lac blames on his spouse then from that 50 lac blames collection not a single blame is gone a apply on me so I am most respected person from 10lac divorce cases that happens in india.hu 2 year right- wrong na ganit ramta ramta Bhikhari thai gayo ane pachhi super power e right ganit per marvanu chalu kari didhu now jo hu undar thi kharab nahi joi ke undar thi kharab nahi vicharu ke undarthi kharab kam nahi karu to je 1 year thi madi ne 100 year na collection of people sudharshe nahi ane mara vichar ma sita ane sita ni ma ne readymade nakhva mate mare jai jau tya ma fadta rehshhe.....( i will do everything legally)

remain intact..vichar e war playing filed che ane ema opposite person na real facts per e mara gutan ne mare che to e war plaign filed ma prostitute with bhargav moovie bane che My thinking control is with nonsense power and that power can makes me today Bin Laden and next day Kasab by injecting anything in my thinking (write to wrong, making anything artificial by repeating that event in my thinking) Can inject tara faliya ma pag nahi melu on perfect right statement.So you guy need to check which song injection is given to me after what type of thinking that gives you clear picture of nagai psychology This mind injection power is using since 2-3 years Now on my Relax mind correct statement(that statement can adversely affect the opposite person in any way) that power start the nagai(harming my knee on that second of thinking)(at that time I use attack word in my thinking).This power has a control of my video thinking on second .So It is not good to do anything good work at all by me.I not keep anything that can Harm me at all using this power...(I have nothing in my life anything wrong that can be stated wrong by injecting super power every thing is correct and with data proof) That's why this power can not affects me at all because I have everything correct in my official mind and no single data is wrong and every other area of war is close after that even this super power start with fresh new NAGAI (harming me because there is no scope of telling me wrong in any area is pending) So this proves that even if I know that this power has a full control of my past, current and future data still I have no issue of playing right –wrong math's (and I played this and becomes bagger in 2 year)and this power is not useful for right statement so after using this power for 2-3 years this super power start new NAGAI(that can bypass right equation from scratch) so in other words this power makes me fullllllllll(chodu banayo) because this power do not want to play right equation game at alllll.So one super power is play with me sitting inside me and another group of people from 1-5years old are playing with same psychology from outside and other age of people are free with them.I suppose to give dose to my thinking (eyes) indirectly the power who has a control on my thinking. So that power thinking will be nullify (power ki soch ko maro)So using the prostitute and take a video of that and watch that video 10 times in a day to gave a dose to that power thinking.Any doctors or scientist have any other solution then let me know.If I come to know this before 2-3 years then I will do legal Curreption that can not be misused by police and gave it to that power as a gift so that power can prove me wrong(haramkhor) in public and I have no issue to separate in that way. I am 100% practical person and before 2-3 years I never think about fight with this type of power ( that can bypass right equation).It is better to gave what power require and then Ma chodava jay.....And this thing happens to me that means no Dipak word is not a tall right.(or u can say that we r doing this for time pass but still we r sita...)If any city in India has more my curreption then gave me full facility at that place and I have no issue to work and stay their.I have to kill super power thinking in such a way that he gets fun and leave me so I have to keep this in mind that I have to do all negative work in my life.On my relax mind thinking that adversely affect the opposite person in any way at that time super power can inject next second thinking in my mind that whatever I just think that is wrong in every direction with proof but after using this (thinking injection)power since 2-3 years this start harming my knee on right correct statement that can prove her non loyalty (haramkhori).So this conclude that opposite person go fo other afairs with another guy and at that time that person not ask me that I should go for fucking with another guy and now if that thinking comes inside my mind then that person harm my knee. whole world can analyze my thinking and see whatever I see then that is the right maths for playing right and wrong game but my thinking that whole world can analysis and inside that you gave a rights to divorcee person to inject her thinking inside my thinking and also damage my knee if require (Bullshit protective protection to stop me thinking at that time) that is also right wrong game????? or bullshit motherfucker protective protection??? and you gave a rights to divorcee to inject her thinking inside my thinking and whole world can not segregate or separate her injected thinking inside my thinking and everybody in the world gone a kick my ass because they don't know how to segregate my thinking and divorcee injected thinking inside my thinking so you are playing bullshit game. and if you not gone a gave a rights to divorcee person to inject her thinking inside my thinking then my past 3-4 year will not been affected at all so I want my time back not money.. just learn to segrigate (saperate) my thinking and divorcee person injected thinking inside my thinking 24\*7 even while i am sleeping....age of 1-5 year have clear idea of all this nonsense and they are doing a same schychology protection from outside they know that I am right and that person is wrong and then after having complete knowledge of above chutiyapa(website) and then all your children of age 1-5 year having 200% IQ are playing the same schychology from outside after knowing that I am right they are try to save that bullshit person from outside. I just prove this before 5 minute....So one hacker miss use me from internally and same schychology is been used by outside from age of 1-5 year old person. Prove me wrong I will accept whatever you want..... Prove just 5 minutes back....So all your children of age 1-5 having 200% IQ and try to save your sati sita by sam dand bhed Now they are not innocent in front of me at all(but they are vakil) so no vakil is gone survive in front of me and do you want to say that main person(keshav) is not using this type of mind?????

That person is also having 200% iq and use the word Jay and ajay.... So no vakil can survive in front of me at all.....if there is no part of inosence then no scope with me.....Mane je indar thi ma chode che ni ma kevi rite fadvani e khabar nathi padti ane koi pan duniyanu manas baharthe aaj kam kare to hu ni gad fadi nakhu..... je pan hoy 1-5 year hoy toy na chale bonchod because mane haji suthi gand marvani jagya nathi malti e mali jay to hu na chodu.....If you gave me crystal clear mind then you will get best output no doubt about that.....Because I am finding 10 corrupted mind in half hour journey then how can anybody having bad corrupted thinking gone a survive in front of me..... it is impossible to sit in front of without speaking anything (if your subconscious mind having corruption) because I have x ray eyes and I can see without and speech... think practically.....And if anybody try to combine two family then each and every person from that family will try to becomes legal and kevi rite gand marvi legally ej vichare thay ane hu to bindas gand maruuuuuu

Bhargav mind thinking is war playing field and thinking is a weapon inside war playing field. Inside this war playing field (bhargav mind thinking) divorcee lawyer sitting inside bhargav mind and keep close watch on bhargav own thinking 24\*7. Now divorcee lawyer can think inside both the state of bhargav mind 1) tight coupled 2) loose coupled mind state. Now when bhargav is in tight coupled mind state (fully awake) and bhargav own thinking think something 100% correct and that thinking is not like by divorcee lawyer who is sitting inside my mind then that lawyer gone as a counter attack to my 100% correct thinking --> think meaningful song inside my thinking. so bhargav own thinking never think any song still songs comes inside my thinking so people around me can analyze in this way that after which bhargav thinking this meaning song is think by lawyer as a counter attack so what ever bhargav think is right or wrong. Now if that divorcee lawyer want to gave contact to haresh bhargav to all people around me then lets say i am in front of huge market and i am thinking for 5 minute and in between that 5 second divorcee lawyer think something wrong and misguide the people around me and i see the havoc in people around me and if i go back inside my thinking and try to find what last i think then i will not find anything because 5 second thinking is not generated from bhargav own mind so my legal data must be exposed to all technical giants so no scope of become bhargav illegal in front of market but bhargav gone a remain wrong person without any proof of data so like playboy without using hand will remain because my thinking is hacked but my hand is in my control and work as bhargav etiquette. Now bhargav is in loose coupled mind state -if i did something good work then thinking repetition will come inside my mind and in my loose coupled mind state lawyer gone a make any bullshit picture (video) of bhargav and make the public full. now using above technology divorcee lawyer can not survive from date 1st December 2012 because during this time frame bhargav all data goes to all people around world via Aditya Birla Money internet and all email address during that date so above power can not been survive legally so that divorcee lawyer start generating pain inside bhargav chest or knee or brain on fraction of second 100% correct thinking (half thinking is don on that second i have pain and half is pending to think so lawyer is using thinking prediction technology and this this thinking is 100% adversely affected to lawyer) and i have 50000 on second of this psychology pain up to current date. so that lawyer try to remain world best person inside my mind using above technology amn still after finish of divorce legally i have pain using same exact technology. and this lawyer try to save in huge area so indirect to indirect bhargav own mind thinking gets disturb the divorcee lawyer and i have pain while doing job and i am right in job profile and main area like character and financial all area is covered by divorcee lawyer and i have pain in every area. I have simple requirement from Indian doctors that they can keep my thinking accessible to CBI or FBI and whole indian people for whole life i have no problem of if doctor not remove publicly accessible thinking because I not did any 1% illegal in past and no plan do 1% illegal in future (and my current legal data can not be object by 50 lac person (friends and all) who come in my contact up to current date) BUT BUT divorcee lawyer

who is sitting inside my mind should not think inside my thinking at all(only pure bhargav own thinking publicly accessible to world) and divorcee lawyer not able to generate pain in any part of bhargav body.pain generating remote control must be removed by indian doctor at any cost.Most important thing is above technology is being used only by divorcee lawyer who is sitting inside my mind is when bhargav thinking is in RELAX state .relax is i am not intensiosly think against that divorcee and something comes inside my thinking naturally and not like by divorcee lawyer then this lawyer is gone a use above technology like thinking injection(if thinking is 80% damaging) and pain generation (if thinking is 100% damaging to lawyer) depending upon how much damaging that thinking is.One most important thing is in loosely coupled mind state(100%loose) (sleeping)then divorcee lawyer try to misguide the people like make this divorce case active via thinking in favor of divorcee so people misguide that bhargav have feelgood factor towards divorcee and people start working for bhargav diversion towards divorcee.BUT bhargav own thinking is not having feelgood factor towards divorcee..NOW all CID and FBI read above statement 50 times and try to prove above statement wrong with 24\*7 keep close watch on bhargav ongoing thinking and as per my thinking within 10hr all above statement gone a prove with good IQ person.

Bhargav Bhatt Have an experience of VB6 without any type of database (only desktop application),without website,without testing 5 year that means I am not having experience of DOTNET and database and I am working as a master of dotnet+database like having an experience of 5 year in DOTNET+database.And I got a software named called Sunrise Medication Management(Staff Software Engineer) and Onsite(Associate) both software already made in DOTNET+Database and both software new development or enhancement is only done outside India so i not get the work to write a to z but i got the work to solve g one day and solve x one day and solve j next day so i can not learn and become master in that environment for dotnet .I have no idea which type of error will occur at what time because I not made single application in dotnet before.so I not get a chance to learn DOTNET step by step from this experience so clear 12 NSE and 1 PMP certificate before leaving that job.and right now holding 18 NSE certificate and also work with Aditya Birla money. But all this with 100% right education and experience documents no illegal at all.:)

From total subject of BE Civil Bhargav Bhatt fail in(25% of total subject)(10/40) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Bhatt Finish BE Civil in 4.5 year instead of 4 year(9 semester insted of 8 semester) and Bhargav Bhatt pass BE civil with 49% so Not able to appear for any entrance exam where 50% minimum is required(not detain for attendance for whole life officially in any of the subject) above statement tells that I am poor in Civil so that is why I clear 18 NSE Certificate.

Right now If any person in this world is ready to pay my life insurance premium then Bhargav Bhatt is not ready to take that life insurance free.... Because this free life insurance will give a boost to Bhargav bhatt hacker to kill me and get money after that...Right company and right person will offer me Health insurance according to below statement(not life insurance) Then and then that company mind is right otherwise that company is bullshit and not got what i written in below statement

Whatever I see and think that is available to all over the world is math's for playing the right wrong math's and I have no issue if this continue for whole my lifetime but If my thinking adversely affected to divorcee and on that second my nervous system hit my knee or chest to stop that thinking to remain best person in the world that is not the right wrong math's so India suppose to provide me CID when I visit hospital and make sure my physical damage power is removed medically and this is minimum human rights I am expecting from india .How Bhargav Bhatt Thinking can generate pain in Bhargav chest or knee or brain on second accuracy with 50000 on second proof --Now how can Neurosurgeon can solve this problem--For matching of India and Bhargav bhatt this problem must be resolved with peace by Indian doctors.I am not tells you to stop my publicly accessible thinking and eyes --> I have no issue of this thing continue for whole life but as per my below statement somebody try to stop my thinking via generating pain in Bhargav chest or knee or brain is not at tall right wrong game this is bullshit work and this suppose to stop at any cost and i will not accept rocket in substitute of not stooping this pain generating power inside my brain from anybody(because you are not want to play right wrong game using this you mother fucker want to bypass right wrong game).my publicly understandable thinking becomes big problem for others that is why i have a pain and if i have no pain then i have no issue of publicly understandable thinking and eyes for whole life. Now if you gave me medicine for make the "GYANTANTU"(sense fibers) loose control and after that I not have a control of my own thinking and due to that I have no pain anywhere that is not a proper solution.right solution is their should be no pain with my full control thinking mind.

their is a abnormal material inside Bhargav mind that separate my thinking that adversely affected to divorcee and on that second that material generate abnormal hyperintensity or something that can pass upto my knee or chest or brain and can generate pain in my knee or chest or brain (via any connected vains) sooooo due to pain has higher priority in nervous system i divert towards pain and my thinking that going flawlessly inside my mind gets disturb so i got punish due to some other person work this all process goal is to do not want to naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stopping this nonsense power and cheated me.Now that abnormal material that reside inside my mind has a psychology of big

big lawyer of divorcee and that lawyer want to save divorcee on all area (more than direct required area)That lawyer hit my knee or chest or brain on below half thinking-On Bhargav Good character (live) with anybody-On Bhargav is legal in job-On Bhargav doing a job and that is indirectly adversely affected to her-On If Divorcee past bad character-On Bhargav is right legally in job profile-On If My true right data gets exposed to some more area-On if Bhargav is financial data is right-On small small like my sofa is hard-work earning or any similar-On direct or indirect to indirect to indirect adversely affected to her So There is a very BIG lawyer mentality that hit Me(Bhargav) on all above half thinking(half thinking is pending) so stop my thinking in all above area. And do not want to be naked inside my thinking zone.Because if I am not wrong my thinking is public so that abnormal material do not want divorcee to be naked in public mind so after my all legal data is exposed on 1 dec 2012 that material has no option to save using this above direct hitting technology.I have 10000 hit on my body on each above scenario.According to this lines I am fighting with Biggest lawyer in the world so that is why I know that nobody in this world can be more then this biggest lawyer

Bhargav Bhatt CV is updated at India top 10 job site (with publically complete visible CV profile and visible phone number) Now how many phone calls I received on my primary mobile number since last 5 year (that is updated at all job site )And even after I did plenty of jobs apply from all jobsite-->how many phone calls I received on my primary phone number

Bhargav will go for one medical test from X hospital and gave that test result (report) DICOM CD to every country. NOW i will go for same medical test from Y hospital and gave that medical result(report) and DICOM CD to every country. and repeat this process for multiple times. NOW world will decide from all report that which hospital dare to gave me wrong report of me. and also check all internal of report( i will spend my all future salary in this until removal of physical pain)if any hospital dare to gave me wrong medical report then all world big person will kick the ass of that hospital so their is 2 alternative I can go for hospital to remove this physical pain directly and both will forgot everything and both go to hell 2nd alternative is i can go to hospital to put you behind the bar and use that data legally so when ever i go to hospital do not use your mind and remove this physical pain directly otherwise i will change my mind and then i will use hospital across the world to put you behind the jail...when you are giving Bhargav current mind thinking and current eyes to divorcee to play big boss or big brother at that time did you put a condition that youcan not inject your thinking inside Bhargav thinking and you can not try to hit Bhargav knee or chest or brain to stop Bhargav thinking that is adversely affected to you ( did you write affidavit

like that) did you plan to play big boss or ganta boss and ganta brother.If any GOD or company wants to talk with Bhargav then 1st line of discussion must be neurosurgeon otherwise go to hell and don't come near to me.(my physical pain is highest priority then 50 million USD) Bhargav is playing self defense case for my current physical damage in chest or knee or brain due to Bhargav brain is hacked by divorcée (I ignore since 2 year but at current date it is not acceptable)what ever Bhargav think and see (private data) is available to all Indian people and also directly available inside the TV that is fine with me but MY physical pain power must be stopIf Bhargav start job without stopping invisible physical damage then divorcée gone a finish & jail is confirm. IF you remember Aditya Birla Money what happens with me and same thing happens again then I have lot of counter attack ready with me and world have clear idea about this power then what will happen? and above thing is beneficial to me if this thing expose to more people....If any GOD or a company talk with me other then neurosurgeon then that is punishable act and Bhargav gone a kick ass of that GOD or company. 1st line from anybody who wants to deal with me suppose to be neurosurgeon otherwise don't come near to me

I have windows licence version and antivirus is also licence version

Gave me the name of the Big company who gave power to divorcee for Bhargav Bhatt full brain control to hit me physically on my half adversely affected thinking. Then I will put that big company in front of 500 country minister and will see how big that mother fucker company is.because below written statement is bullshit protective protection of divorcee on my 100% correct thinking so this thing can not done by any

god or guru because no god or guru works against right and hit me on the 100% correct statement thinking.for your knowledge Bhargav Bhatt is 100% legal at every company in my life ( i not take pen or pencil at any place and i use 100% correct and right documents every where) Internal-->  
<http://sdrv.ms/15F1Vd3> or <http://goo.gl/717gz>

Bhargav Bhatt stay at 22,Kalyankunj,Mill Road,Nadiad 387001(Mafatlal company house) for about 25 year and my father earning round about 1000Rs per month for 5 year then 2000Rs per month for 5 year and 4000Rs per month for 5 year and at the time of retirement last month maximum salary is 5943.77Rs per month (Dec 2002) and My father retired in jan 2003 So In above salary Me(Bhargav) and my both sister and mom and dad supposed to sustain 5 person life with one person salary and in above salary me and my both sister study and routine life(food and must require thing) and by saving one pany,pany from above earning right now everything is running.My father use bicycle for whole life and I use bicycle for up to age of 24.In above period 5 person survival with above salary is done by no newspaper no telephone no extra bills at all and only food and study and suppose to save from above salaryBhargav Bhatt money earning details FEB -2011 TO SEP-2012 NOT working NO Income. OCT—2008 to JAN-2009 NO JOB & NO INCOME.June-2013 to current date NO job and no Income(Recently i am earning 4000Rs per month ) My father retired with 6000Rs In hand salary.During last 3-4 year Bhargav Bhatt becomes beggars Axis bank and HDFC bank deduct charges for non-maintaining minimum balance because I have no money in any account so not able to maintain minimum balance and Not able to renew My LIC due to no money in my any of the account (and I do not want to take money from anybody)Bhargav sell DAD and MOM shares(transferd from UTI bank) and that money is in my savings account right now otherwise i have nothing...and recently my sister send some money from abroad

When you are giving bhargav bhatt current mind thinking & Current Eyes to divorcee to play big boss or big brother (right wrong game or CID) at that time did you put a condition that you can not inject any of your thinking in Bhargav thinking and you can not try to stop Bhargav thinking by generating pain in knee or chest or brain on that second.And you have only read only rights to play right wrong game and you can not use editable rights.(did you sign a affidavit like that before surrender my(bhargav) brain to divorcee)or you mother fucker want to play Ganta Brother and Ganta boss with me.

brain thinking predicting technology is used with bhagav otherwise half damaging thinking I not have a pain in my knee or chest or fluctuation in my brain on same fraction of second is not possible( like on my thinking start with one word and super power know all 4 line of next coming inside my thinking so if that thinking is adversely affected to divorcee in any direction then you can try to damage my knee or chest or fluctuation in brain on same second(first word of thinking) to stop my next 3 line of thinking) so people around me not gone a feel my pain and they know the only one word from my thinking and after that due to pain in my knee or chest or brain i stop or divert in my current thinking so you dont know all 4 lines of thinking and i stop on 1st word of thinking due to pain so people around me not feel my pain and not

know the full 4 line of next thinking so that person doing bullshit protective protection in huge area like other then her direct charecter problem that power hit me on my good charecter with any other girl or indirectly my job work affect that divorcee legally or bhargav bhatt is 100% legal right ten also that power hits my knee of chest or barin same brain thinking predicting technology is being used in primary weapon like "tara faliya ma pag nahi melu"

Bhargav Bhatt gives you precise software name and address where you can go directly and see the VB6 without any database software live so no need to ask any of my friend to confirm VB6 without database 1) E-Design Softech Pvt. Ltd., Baroda product name MiniWare 2year VB6 without database <http://www.structuraldesignsoft.com/MiniWare/default.htm> download the demo version or Miniware software and check that it is made in VB6 without database or not. This link is no more working after i download the demo version using my postpaid Vodafone internet so i have setup of miniware demo if you want to check(check my email containing download key of miniware) 2)Chase Info-Tech Ltd, Ahmedabad worked at I&T chiyoda as a employee of chase 1 year VB6 without database software name Hydroace software is made by L&T chiyoda baroda for chiyoda corporation japan so you can check that software is made in VB6 without any database or not 3)Cimcon Software (India) Pvt. Ltd, Ahmedabad. 1 year VB6 without database in software "E-InfoTree desktop module excel plugin" their is a one excel macro already made and i have to use excel function in pure VB6 application(activex dll) and this is only for 11 months and this application do not have any database like sql server or oracle or sybase or mysql or oracle and i not made any new macro 4)Syntel (India) Ltd., Mumbai 3 month dotnet with database due to poor performance 5)Ness Technology (India) Ltd. 1 year pure VB6 bugfixing in VB6+database application thier is a company name Retalix working for TESCO and software name is Storeline made in VB6 + database but my job is taking pure VB6 bug from big collection of bugs so this proves VB6 without any database 5 year. for my technology checking I gave you company address, website, phone number then you as a CID can go their and check that respective software live is made in same technology that I mention in my CV and same can be cross check from my friends from facebook and orkut login ID [bhargavbbhatt@gmail.com](mailto:bhargavbbhatt@gmail.com)

Bhargav Bhatt Have an experience of VB6 without any type of database (only desktop application),without website,without testing 5 year that means I am not having experience of DOTNET and database and I am working as a master of dotnet+database like having an experience of 5 year in DOTNET+database.And I got a software named called Sunrise Medication Management(Staff Software Engineer) and Onsite(Associate) both software already made in DOTNET+Database and both software new development or enhancement is only done outside India so i not get the work to write a to z but i got

the work to solve g one day and solve x one day and solve j next day so i can not learn and become master in that environment for dotnet .I have no idea which type of error will occur at what time because I not made single application in dotnet before.so I not get a chance to learn DOTNET step by step from this experience so clear 12 NSE and 1 PMP certificate before leaving that job.and right now holding 18 NSE certificate and also work with Aditya Birla money. But all this with 100% right education and experience documents no illegal at all.:)From total subject of BE Civil Bhargav Bhatt fail in(25% of total subject)(10/40) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Bhatt Finish BE Civil in 4.5 year instead of 4 year(9 semester insted of 8 semester) and Bhargav Bhatt pass BE civil with 49% so Not able to appear for any entrance exam where 50% minimum is required(not detain for attendance for whole life officially in any of the subject) above statement tells that I am poor in Civil so that is why I clear 18 NSE Certificate.

Bhargav Bhatt VB6 without any database experience proof-->When I joined my first company at that time name of my company is Kant Structural Design Soft Pvt. Ltd. And after that name of this company is being changed to e-Design Softech Pvt. Ltd. website <http://www.structuraldesignsoft.com/contact.htm> my VB6 without any database software name Miniware details is also available at that website.(<http://www.structuraldesignsoft.com/MiniWare/default.htm>)US office is running I have 4 friends(Rushikesh Baiwar,Rishi Gupta,Jayant Mukharjee,Srinivas Maruti) who work with me on same software VB6 and you can check the live software from US office address (<http://www.structuraldesignsoft.com/contact.htm>)that .2nd company name is CHASE INFOTECH LIMITED Ahmedabad website of this company and this company is close from Ahmedabad. But I worked at L&T chiyoda baroda <http://www.lntchiyoda.com/contact.htm> as a representative of chase Infotech ltd. And product name is Hydroace this is product that is used in piping industry made in VB6 and no database.( I have 15 friends (Alpesh Mistry, AbbasAli Trunkwala ,Keyur Sheth, Shalabh Sindwani, Fakruddin Mansuri) 3rd company details as follows CIMCON SOFTWARE (INDIA) PRIVATE LIMITED <http://www.cimconsolutions.com/contactus.asp> product name is e-infotree desktop module excel plugin and product is made in VB6 and excel no database you can cross check my name with that product.( I have 20 friends(lakum(available inside my orkut), Sandip Karia , Amit Pandya who work with me on same software VB6 and that friends are available inside my orkut or facebook account login for orkut and facebook is Then 5th company NESS (product name Storeline) made in VB6 + database but my job is taking pure VB6 bug from big collection of bugs Friends-- Jitendra Prajapati, Alpesh Mistry So this proves Bhargav Bhatt VB6 without any database 5 year(you can find my friends inside orkut or facebook [bhargavbbhatt@gmail.com](mailto:bhargavbbhatt@gmail.com) or check live software) and I Fired from syntel ltd Mumbai so Bhargav Bhatt Not having an experience of DOTNET and any type of database(no sql server,no access,no mysql, no oracle no any other database) for whole life.at Allscripts I did 3-4 nonperformance meeting with Ashwini and also talk with manager and while working with Allscripts and doing a nonperformance meeting I learn technical analysis and fundamental analysis from NSE and got the certificate for that then i clear 9 exam of NSE and got total 12 certificate from NSE during that job(check the date inside the certificate—that is in between the joining and reliving of Allscripts) and while working with Allscripts i clear the exam of PMP also(check the date inside the certificate—that is in between the joining and reliving of Allscripts) so we can conclude that i collect 12 NSE certificate and 1 PMP certificate(check the date inside the certificate—that is in between the joining and reliving of Allscripts) as a risk management because if

nonperformance meeting can convert into fire me so i collect all and leave this company because i do not want my name in job fire list and i try to get more money than civil engineer fresher and VB6 market value in financial area and right now i am holding 18 certificate in financial area and also work in financial area to kick start in that area(aditya birla money)...Nobody can think in this direction that due to personal interference i go towards financial area because if i go for time pass personal interference then NSE certified investment analyst pro and NCMP level 5 i will not hold that .Now I have another 2 option VB6 without database and civil engg fresher now find my corruption. And my last company job requirements is as below “ Graduate or post Graduate with NCFM certification – Equity and Derivatives – NSE Cash and Derivatives or BSE Cash & Derivatives ” ..I have VB6 without any database 4 year and 1 year is pure VB6 bug fixing in VB6+database application so total 5 year of VB6 without any database of experience and i gets fired from Syntel in dotnet due to nonperformance

--when Bhargav Bhatt use VB6 without any database at that time their is no divorcee name come in Bhargav life. All Version of Visual basic Development environment from 1.0 to 6.0 are now retired and unsupported by Microsoft Bhargav Bhatt money earning details FEB -2011 TO SEP-2012 NOT working NO Income. OCT—2008 to JAN-2009 NO JOB & NO INCOME.June-2013 to current date NO job and no Income(recently earning 4000Rs per month ) My father retired with 6000Rs In hand salary.Bhargav try to get more money then VB6 without any database & BE Civil 25% Subject Fail(10/40) and 49% & finish in 4.5 year instead of 4 year So Collect 12 NSE Certificate before Leaving dotnet master job & right now have 18 NSE certificate & also work with Aditya Birla Money.Bhargav Bhatt Not Able to clear the Entrance Exam of PostGraduate Programme IN Information Technology,Gujarat Law society Institute of Information Technology,Ahmedabad So I take a admission as Non University course(as they are ready to gave some extra non university seat and i will not get university degree) But After Finish this course they gave me Gujarat University Recognize certificate but this certificate is not affiliated with Gujarat University(Because course is not designed by University and lecture is not taken by University professor.(My student Id is 001/2000-02/145 even after my name start with B because they start the student ID who clear the entrance exam first so I not able to clear so got 145 ID.

Bhargav Bhatt wants maximum salary on correct CV data so i can sustain that salary for next 50 year and work without personal interference like dipak and dipak ni ma.mara j vichar mathi job karti vakhate curreption kadho cho to hu CV ma kashu 1% khotu lakhu to mara company ni baju ma besto lari valo mane keshe ke kale job ma na avish etle mane mara 100% correct CV per maximum salary joie ane e salary mathi mane koi manager kadhshe nahi ane aa salary bija 50 year rehshhe now tame job karti vakhte hu kam karto hou to mara vichar mathi aa time e curreption kem kadho cho pachi kadho because darek manas no rights hoy ke manager ne 10-30% chodu banave ane mari pase 1% chodu banavnano rights nathi because hu kam karto hau to akhu city hu su vicharine kam karu chu enu analysis kare che etle hu 1% khoto CV hoy to akhi City ne khabar padi jay ke ane aa avadtu nathi ane CV ma bolbachan che ane mari job jati re me kahyu hatu ke mara 100% right CV per job apvani to niche je lakhyu che te 100% correct CV che ane hu aa job ni salari long term sachvi saku Mari jode personal war ramva vala pase aa 3 option che 1) Mane VB6 without database job apvani ane mane dotnet ane database ma kam nahi apvanu e sarate 2) mane BE Civil ma mare 49% ,8 subject fail and 4 varsh ni jagyae 4.5 year thaya che pura karta ema aa vastu e batave che ke mane civil ma kasu nathi avadtu ema 3) mari pase 18 NSE

Bhargav wants maximum salary on correct CV data so i can sustain that salary for next 50 year and work without personal interference (divorce) like dipak. Can you gave me one answer that when i am doing any job and think something to achieve the task assigned by manager at that time you all 50 lac people (other manager) try to find corruption from my that current ongoing thinking and try to kick the ass of my current job If i am wrong in above statement then you can shoot me. And if i write 1% wrong inside my CV and you all 50 lac people try to kick my ass inside my job then how much time i am able to survive that job??? 1 month 2 month tell me so getting a job is not important but survive the job for next day is impossible if i write 1% wrong inside my CV for Bhargav because i have to play war with 50 lac other people at that job thinking time. So sustaining the job for next 50 year(after divorce) I have to write 100% correct data inside my CV. Every employee has a rights that he can make full to his manager upto 10-30% by getting the work done by internet or with help of someone else or something else. But in my case if i write 1% wrong inside my Cv then whole city gone a come to know that I write a fake statement i don't know that particular technology at all and i am finish in front of 50 lac other manager in that city. So according to 100% CID provable CV I have this 3 option with me for job for sustain for next 50 year 1) you suppose to give me job in VB6 without any database so you are not gone a gave me any work in dotnet and database 2) BE Civil fail in(25% of total subject E & F grade) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Finish BE Civil in 4.5 year instead of 4 year(9 semester instead of 8 semester) and Bhargav pass BE civil with 49%(CPI 4.91) so Not able to appear for any entrance exam where 50% minimum is required ( this data tells that I am poor in Civil officially) 3) 18 NSE Certificate (I have nothing other in job profile)

--

Bhargav Bhatt fail in(25% of total subject) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Bhatt Finish BE Civil in 4.5 year instead of 4 year(9 semester insted of 8 semester) and Bhargav Bhatt pass BE civil with 49% so Not able to appear for any entrance

exam where 50% minimum is required(not detain for attendance for whole life officially in any of the subject) Is this above statement is legal weapon for anybody above statement tells that I am poor in Civil And nobody can use BE civil as legal weapon And due to Bhargav Bhatt poor in BE Civil Bhargav Bhatt collect below certification List of Financial certification:: NSE's Certification in Financial Markets (Clear NCFM 12 Module, Clear NISM 2 Module) From NATIONAL STOCK EXCHANGE OF INDIA LTD (NCFM ID: 803913 same for all subject) 1)NSE Certified Market Professional (NCMP)(Level-5)(Highest Level) 2)NSE Certified Investment Analyst Pro 3)Options Trading Strategies Module - 88.75% 4)Derivatives Market (Dealers) Module - 64% 5)Mutual Funds : A Beginners' Module -78% 6)Investment Analysis and Portfolio Management -74.5% 7) Capital Market (Dealers) Module -63.25% 8)Currency Derivatives: A Beginner's Module -79% 9)Securities Market (Basic) Module -80.25% 10)Commodities Market Module – 81.25% 11)NSDL–Depository Operations Module-64.25% 12)Insurance Module-62% 13)NISM Equity Derivative module-74% 14)NISM Currency Derivatives module-66.5% 15)Fundamental Analysis module-80.75% 16)Technical Analysis module-77.5% 17)Successfully completed 4day and 2day training program on Technical Analysis & Fundamental Analysis jointly conducted by NSE and Manipal Education (ID-05PUN08101722 & 04PUN08101720) and holding the completion certificate from NSE. check the average percentage of financial certificate. Bhargav Bhatt na 100% correct CV che ane hu aa job ni salari long term sachvi saku mari pase 3 option che 1) Mane VB6 without database job apvani ane mane dotnet ane database ma kam nahi apvanu e sarate 2) mane BE Civil ma mare 49% ,8 subject fail and 4 varsh ni jagyae 4.5 year thaya che pura karta ema aa vastu e batave che ke mane civil ma kasu nathi avadtu ema (me 1500Rs per month kam karelu che 5 divas mate) 3) mari pase 18 NSE na certificate che ema ana sivay kashu nathi mara profile ma

From Total subject of B.E Civil Bhargav Bhatt Fail in 25% subject (10/40) and in remaining subject I got 49% so Not able to appear for any entrance exam where 50% minimum is required. So Finish BE Civil in 4.5Year Instead of 4 year(9 semister insted of 8 semister) And due to Bhargav Bhatt poor in BE Civil Bhargav Bhatt collect below certification List of Financial certification:: NSE's Certification in Financial Markets (Clear NCFM 12 Module, Clear NISM 2 Module) From NATIONAL STOCK EXCHANGE OF INDIA LTD (NCFM ID: 803913 same for all subject) Passed in 2010 1) NSE Certified Market Professional (NCMP)(Level-5)(Highest Level) 2) NSE Certified Investment Analyst Pro 3) Options Trading Strategies Module - 88.75% 4) Derivatives Market (Dealers) Module - 64% 5) Mutual Funds : A Beginners' Module -78% 6) Investment Analysis and Portfolio Management -74.5% 7) Capital Market (Dealers) Module -63.25% 8) Currency Derivatives: A Beginner's Module -79% 9) Securities Market (Basic) Module -80.25% 10) Commodities Market Module – 81.25% 11) NSDL–Depository Operations Module-64.25% 12) Insurance Module-62% 13) NISM Equity Derivative module-74% 14) NISM Currency Derivatives module-66.5% 15) Fundamental Analysis module-80.75% 16) Technical Analysis module-77.5% 17) Successfully completed 4day and 2day training program on Technical Analysis & Fundamental Analysis jointly conducted by NSE and Manipal Education (ID-05PUN08101722 & 04PUN08101720) and holding the completion certificate from NSE.To View Bhargav Bhatt all National

And my last company job requirements is as below “ Graduate or post Graduate with NCFM certification – Equity and Derivatives – NSE Cash and Derivatives or BSE Cash & Derivatives ” ..I have VB6 without any database 4 year and 1 year is pure VB6 bug fixing in VB6+database application so total 5 year of VB6 without any database of experience and i gets fired from Syntel in dotnet due to nonperformance and at Allscripts I did 3-4 nonperformance meeting with Ashwini and also talk with manager and while working with Allscripts and doing a nonperformance meeting I learn technical analysis and fundamental analysis from NSE and got the certificate for that then i clear 9 exam of NSE and got total 12 certificate from NSE during that job(check the date inside the certificate—that is in between the joining and reliving of Allscripts) and while working with Allscripts i clear the exam of PMP also(check the date inside the certificate—that is in between the joining and reliving of Allscripts) so we can conclude that i collect 12 NSE certificate and 1 PMP certificate(check the date inside the certificate—that is in between the joining and reliving of Allscripts) as a risk management because if nonperformance meeting can convert into fire me so i collect all and leave this company because i do not want my name in job fire list and i try to get more money than civil engineer fresher and VB6 market value in financial area and right now i am holding 18 certificate in financial area and also work in financial area to kick start in that area(aditya birla money).....Bhargav Bhatt Have an experience of VB6(Not DOTNET) (Only Desk Top Application) without any database 5 year (without any website or web development for whole life and no testing job profile for whole life)

Legal system not consider that Bhargav not did single cruelty to divorcee for whole life (divorcee speak that jagdo karyo nohto at nadiad court)

legal system not consider that divorcee father speak inside nadiad court that divorcee left my home without intimating me and without any reson even after both family eat gol dhana for compromise on basis that she will not gone play with his boyfriend and live disipline

legal system not consider that even after my father mother tell her to come back at the time of father surgery and she not come to home and only come to maninagr rly station for time pass(this thing is discuss at nadiad court)

legal system not consider that what is reson for two family to eat gol dhana why compromise is require in between family and at what condition they eat gol dhana

Bhargav Bhatt Try to get more money then VB6 without any Database and BE Civil 25% subject fail (10/40) and finish in 4.5 year instead of 4 year with 49% So, Collect 12 NSE Certificate before leaving DOTNET master job and right now have 18 NSE Certificate and also work with Aditya Birla Money. When Bhargav Bhatt use VB6 without database at that time Bhargav Bhatt doesn't know the name of divorcee at all..... so there is no scope of thinking any corruption done by Bhargav Bhatt. If anybody can prove above line(word) wrong then I will work free for that company or person for whole life

If i know that I am bullshit and not doing good work and divorcee is very good in nature and loyal then I might have a feeling that compromise is good for me but if divorcee know that i am bullshit and Bhargav is very good in nature then she might think to compromise is good for her because she might not get 1% of bhargav in anybody else in future right???????

and i have no thinking of 1% compromise at all now think over this

If i know that I am bullshit and not doing good work and divorcee is very good in nature and loyal then I might have a feeling that compromise is good for me but if divorcee know that i am bullshit and Bhargav is very good in nature then she might think to compromise is good for her right???????

I am holding 18 financial certificate that means I can earn at least for my 2 times food from this knowledge without any company job so no scope for personal interference for divorce is possible. and divorce can not be stop and 1 % pending process is gone a finish.. and I have a data that divorcee is sleep with multiple person then you can not play with innocence with me okkkkkkkk

Everybody people around me(all over India even inside the TV) have full access to my private video thinking(what i think with video) even when i am sleeping or close my eyes then also i have no issue for whole life because i not did anything ill legal in my past and no plan to do 1% ill legal in future so have fun...

Now anybody can not find legal curreption from my ongoing current live private thinking so they gone a play polotics like they will not able to play right wrong with me so they gone a put inocent in front of me

and they can play another game like I have loss of memory or brazil or snakes or boxing etc

I sell my all shares and mutual funds from my sharekhan ( <http://www.sharekhan.com/> ) trading account and transfer that money to my HDFC bank and gave a demand draft of 2.5lac to divorcee for half alimony payment and now i have no more money at any place so only loan is required for next half alimony payment to divorcee so job is must for me.

My (Bhargav Bhatt) Vodafone 3G postpaid USB dongle internet number is 9825046508 , My MTS Mblaze prepaid USB datacard MDN number is 9137189607 , My DTH company is www.dishtv.in and VC number of dishtv is 01518111359

Do not think that if i am working in civil engg fresher or software engg VB6 or testing then you are gone a buy the this two company manager and that manager will tell me that if you speak i love you to dipak and dipak ni ma then i will continue your job then i will left that job within second and i will tell that manager to motherfucker if your cock is so intense then gave direct job to that motherfucker and fuck her

beggars + Bhargav Bhatt Right data= snakes or boxing or innocent etc

Nobody can think in this direction that due to personal interference i go towards financial area because if i go for time pass personal interference then NSE certified investment analyst pro and NCMP level 5 i will not hold that .Now I have another 2 option VB6 without database and civil engg fresher now find my corruption. And my last company job requirements is as below " Graduate or post Graduate with NCFM certification – Equity and Derivatives – NSE Cash and Derivatives or BSE Cash & Derivatives " ..I have VB6 without database 4 year and VB6 with 5% database 1 year so total 5 year of VB6 of experience and i gets fired from Syntel in dotnet due to nonperformance and at Allscripts I did 3-4 nonperformance meeting with Ashwini and also talk with manager and while working with Allscripts and doing a nonperformance meeting I learn technical analysis and fundamental analysis from NSE and got the certificate for that then i clear 9 exam of NSE and got total 12 certificate from NSE during that job and while working with Allscripts i clear the exam of PMP also. so we can conclude that i collect 12 NSE certificate and 1 PMP certificate as a risk management because if nonperformance meeting can convert into fire me so i collect all and leave this company because i do not want my name in job fire list and i try to get more money than civil engineer fresher and VB6 market value in financial area and right now i am holding 18 certificate in financial area and also work in financial area to kick start in that area..... Full and final settlement of divorce, Stridhan gold payment on paper, Stridhan other payment on paper---><http://sdrv.ms/13O3U3Y> And <http://sdrv.ms/13O3XwS> and <http://sdrv.ms/13O41N0> or <http://goo.gl/5LuaiC> and <http://goo.gl/jVkOGN> and <http://goo.gl/gsnTw3>

This above statement is visible inside my income tax return also.

Income tax return details <http://goo.gl/FTxpKM>

<http://goo.gl/0EqIq2>

In Income tax area i not get the form 16 on time so i filled late but i allready paid tax on time and no tax liability is on me from day one their is no case like i forgot to pay tax and did currupcion with department i pay the all tax on time that is visible in my form 16 clearerlely AND if i forgot to pay tax then income tax officer will tell me to pay tax with interst but he tells me to submit form 16 only.....

I gave 5 lac that meanes I gave 5000Rs per month(according to 10% intrest of 5 lac) so I need at least 25000Rs per month so if we calculate legal share of divorcee is 20% (even if that person is earning) then that comes about 5000Rs so I will not gave you remainnig amount if i not got 25000rs salary and I sell all my life time asset and gave you half alimony that is 2.5lac and now i have nothing in my account so i need at least 25k salry legally to compensatsate another 2.5 lac because no body gave me loan for another

2.5 lac without any job in my hand so

My college is first degree engineering college in the state of Gujarat. In fact it was established before the conception of IIT's. Managed by Charutar Vidya Mandal.and my college is affiliated with Bombay University in year JUNE 1948 - May 1951 check the on paper proof at this website ---> <http://www.bvmengineering.ac.in/OurBVM.html>

I did my Bachelor of Engineering (Civil) from Birla Vishvakarma Mahavidyalaya Engineering College, Vallabh Vidyanagar Affiliated to Sardar Patel University (AICTE and UGC approved). 4 year full time degree course so i cannot affords another 3 year for MCA and this "Postgraduate Programme in

Information Technology" course is run by the reputed organization named as Gujarat Law Society <http://www.gujaratlawsociety.org/> and this organization is running another 15 college in Ahmedabad city ( <http://www.gujaratlawsociety.org/Institutions.aspx> )and this courses they introduce is only 2 year full time instead of 3 year full time(like MCA) and syllabus of 2 year is very high tech compare to the old syllabus of MCA so I can save my 1 year and get latest technology compare to MCA and i will get the degree from <http://www.gujaratlawsociety.org/> and Recognised by Gujarat University degree...so save 1 year and Gujarat University Recognised degree is a good deal for me after spending 4 year in Bachelor of Engineering (Civil) i can save 1 year if i did Bsc then 3 year of Bsc and 3 year of MCA is 6 year is fine but as i finish my BE 4 year i select 2 year full time so 4+2=6 and Gujarat University Recognised and high tech syllabus so win win situation for me

there is an abnormal material inside my mind that separates my thinking that adversely affected to divorcee and on that second that material generates abnormal hyperintensity or something that can pass up to my knee or chest and can generate pain in my knee (via any connected veins) or chest soooooo due to pain has higher priority in nervous system I divert towards pain and my thinking that going flowlessly inside my mind gets disturbed so I got punished due to some other person work this all process goal is to do not want to be naked in my thinking so stop my thinking with pain so my knee and chest is healthy still I have pain so main problem is after taking money you guys not stopping this nonsense power and cheated me <http://sdrv.ms/19YtySM> or <http://goo.gl/Mc3g1x> or <https://docs.zoho.com/file/z1g209204f8c0363646acbab5de08a557d466>

I have 49% in BE Civil(AICTE approved) and PGIT(NOT AICTE approved but Gujarat university recognized) and 4 year experience in VB6 without any database like SQL server or oracle and next 5th year I have VB6 bug fixing work of SQL server based software so total 4year VB6 without database and 1 year with just using database not developing anything in that so 5% knowledge in last year and everything is legal verified and I have documents of each and everything I have a offer letter of civil engineering of 1500RS per month My all NSE 11 certification examination date is before leaving last IT Company and VB6 market value is less then my 11 financial certificates whatever i did that is rules of IT industries and I follow only legal path with all legal documents(not follow like other nonsense person in India like making fake documents anywhere in my life)

can anybody inthe world can tell me that the single word is wrong from my written blames on her and due to that hacker becomes mad and try hitting me otherwise i am gone a be a mad

su vicharvanu ke ame su kari rahya che ane amare su joie che e vicharvanu

hu su joi ne su vicharu chu e aaju baju ni society na badha manso ne khabar pade to india na CID mara live vichar and eyes per Investigation kari ne mari gand mare to chale but tame bonchod hu bhosdinina kobhad vicharu to direct invisible human hacking thi mara gutan ane chati ne maro to bonchod mara sarir

Right now my thinking is in my control (when I am conscious) and not in control of divorcee so on current ongoing thinking divorcee can not interfere in between that but divorcee has full control of my nervous system so my current ongoing thinking that is adversely affected to her on that neno second divorcee gone a generate pain in my knee or chest on that moment(second) to divert me or disturb or stop me for current thinking that is deadly affected to her. But divorcee can not directly stop that adversely affected ongoing thinking so if I take a medicine to loose the control of my (yantantu) or mind then we can say that I gave control to divorcee and I am loaded like drunker and then their is no pain at knee or chest. so if I take a medicine then divorcee can remain world best person(sati sita) inside my thinking and divorcee has no requirement to hit my knee and chest on adversely affected thinking. so this bullshit power kick the ass of LAW and right wrong game 100%.

hu su vicharu chu e analysis karine next statement mara per war nu nakho to pathari fari jashe ema koi dimag valu kam nathi.....this is impossibe for any CID in this world because their is no curreption in

my subconscious mind in any area so have fun.....

There is only two alternative that one you remove this power by medical treatment before more damage and everything rest will go legally and this thing will not come inside the court room and second alternative is you not try to remove this intentionally and i will show the damage of my knee or chest to the world and this thing will come to every country court room and i might leave india in this case and IS their any 3rd alternative in this case mother fucker?????? and you guys chose 2nd alternative and i have no issue lets see what will happen next.....

I visit the Apollo for removing this power not for filling the court case so try to save you with my money now with same dataflow if I gets physically damage then I will escalate this to world and most imp after knee pain for 7-8 month last 2-3 month with same psychology chest pain now madarchodo chest pain meanse you bullshit people this is knee replacement surgery that you replace chest I will kick the ass of india and nothing other I can leave india nothing more I can do so have fun madarchodo.....If I try for kicking the ass of bullshit power then nobody can save you I visit for simply removal of this so no damage and legally case will go further now after damage I will kick the ass of everybody bonchod lets see.....

India do not want to play right and wrong and do not want to remove physical damage game and this is best right wrong game right??? even my city bagger knows this and doctors do not try to remove this and if my knee or chest is damage due to intentional nonsense doctors of india then i will not stay in india anymore and if i am gone a gave you damage report then i have same past report and not a single doctor will have an answer of this damage do u know that? <http://sdrv.ms/19YtySM> or <http://goo.gl/Mc3g1x> or <https://docs.zoho.com/file/z1g209a587923510244318d835dfc33585907>

I like to cut the girl hair with big gardenning knife and i love to insert knife in girl chest and remove the arterise and I love to cut the legs of girls.....When i will get the chance fo this

continue the power of whatever i see is visible to all and whatever i think that is avalable to all but if my thinking adeversely affected to divorcee then on half thiking statement knee pain and chest pain to stop my thinking is bullshit protective protection and suppose to stop ASAP and have fun of my eyes and thinking for whole life I have lots of plan of doing curreption so that is not an issue and this power is

beneficial to me if you read above line that i got a pain so this power is bad for divorcee and good for me and no need to stop this

My knee and chest report is perfect healthy but my mind full control is in divorcee or her child so from my mind they pass the pain in my knee and chest via connected veins because my knee MRI and chest angiography is healthy and I have a pain in my knee or chest on same second when my thinking adversely affected to divorcee directly or indirectly and I fell the pain 50000 times with second accuracy and without this psychology their is no pain so i need a best neurosurgeon who can identify how to pass the pain via connected vain of knee and chest and then he can able to remove this nonsense by removing the thinking segregation part from my mind and 90% that part is passing the pain to my knee and chest or delegating the this nonsense work to some other part of my body so pain has a higher priority in mind so I will divert towards pain and thinking that going flawlessly inside my mind gets disturb because that thinking is 200% adversely affected to divorcee directly or indirectly so divorcee doesn't want to be a naked inside my thinking so try to stop adversely affected thinking on same second with knee pain or chest pain .By this second accuracy pain only 2 person in this world can benefited one is

divorcee is trying to save her character and another is her child try to save her character and no body in the world can benefited by this. So I not required knee specialist or cardiologist for chest I require neurosurgeon of mind that can analysis this and remove this and for this best neurosurgeon is required because knee specialist and cardiologist can not save my knee or chest if I need my every part of my body healthy then my mind pass the pain in my every part of my body so if we removed that nonsense part from my mind then their is no pain in my any part of my body because every part is healthy .. Now every child that comes in front of me then his mind becomes superpower and he can think 10 times more then normal age person and he bypass right wrong and try to save divorcee character by same psychology as person who hacked me internally so right now I gave 70% to divorcee child and 30% to divorcee contribution towards my knee and chest pain. So My nervous system is hitting my every part of body so I can be paralyze in future.. <http://sdrv.ms/19YtySM> or <http://goo.gl/Mc3g1x> or <https://docs.zoho.com/file/z1g209204f8c0363646acbab5de08a557d466>

there is an abnormal material inside my mind that separates my thinking that is adversely affected to divorcee

and on that second that material generate abnormal hyperintensity or something that can pass upto my knee or chest and can generate pain in my knee(via any connected veins) or chest sooooo due to pain has higher priority in nervous system i divert towards pain and my thinking that going flowlessly inside my mind gets disturb so i got punish due to some other person work this all process goal is to do not want to naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stoping this nonsense power and cheated me

Cimcon Software (India) Pvt. Ltd, Ahmedabad. 1 year VB6 without database

Syntel (India) Ltd., Mumbai 3 month dotnet with database due to poor performance

Ness Technology (India) Ltd. 1 year VB6 with 5% database sql server

J P MorganChase India Services Pvt Ltd. and Allscripts both the places I joined as a dot net and database expert like I am having a 5 years mastery in dotnet but I have in VB6... Now Both the places they have big big software already made in dotnet and they are not gave me any enhancement through which I can learn how to make a new dotnet application and get the details of different error while doing a enhancement so I have pure 5 year VB6 experience guy having no knowledge of making single application in dotnet got the work to solve the error in big big existing software and I have no idea which type of error will occure at what time because I not made single application in dotnet before.....so i did nonperformance meting at both company and then before leving last company i clear 11 certification in NSE(different NCFM module) and learn technical and fundamental analysis with NSE and take a certificate for that before living allscripts and then leave that company so I can get more then civil engg and mean time VB6 market value is gone so I can earn good money then dotnet fresher or VB6 or civil engg.....

HI,

I already gave money for 3 satellite accessory.

I gave a request for adding Ala carte 513=English Joy and 421 = English Entertainment 10 times and 10 times it is been activated by your customer care person and then after 5-6Hrs it is been de activated automatically and right now both ala carte is not active on my VC and showing me error 101. So can you add this both ala carte as permanent to my VC and not gone a disable for whole life??? I purchase new connection on 15/7/13 so if this is not possible then can you arrange me the whole money refund .....

Thanks

Hi,

Can you Confirm my Active pack and Active Ala Carte Packs on my VC.

I added ala Carte pack code 661,658,774,421,513.

Can you confirm above pack my email.

Hi,I want to add Sports Bonanza(code 661),English Joy(code 513),English Entertainment(code 421) Ala Carte Packs.

Why I can not add code 421 and code 513 via my internet login?And If I want to add the Ala Carte packs then why it will ask for online payment even i have a balance in my account why their is a no facility for deducting facility from existing balance if i want to add via Internet my account?So Can you add 661,513,421 inside my account now.

If anybody gave bhargav job on condition like they can put me in clutch in job work after sometime and they get the output in bhargav divorce case then that will not happen once again in bhargav life.Bhargav gone a sell pure 8hrs not personal life at 50 milion USD.

When Bhargav meet divorcee first time at that time bhargav not hold 18 NSE certificate and PMP certificate...Now think that Bhargav clear 12 NSE certificate +PMP before leaving DOTNET master job(21 January 2011) and clear 6 NSE certificate after leaving DOTNET master job(check dates inside my certificate) NOW you people tells me that I work in my job profile for keep a close eye on divorcee so i might not gave more money to divorcee or something like that.....now people find more value in BE civil 49%(CPI 4.91) and fail in 25% subject of total subject (10/40 E and F GRADE) subject and finish in 4.5 year instead of 4 year(1995 entry and 2000 passout) OR you find value in VB6(not dotnet) without any

type of database like no sql server no access no oracle no Sybase no mysql. AND without website(webform) and without testing profile for whole life..AND my average percentage of NSE 18 certificate is 75-80% and good score in PMP so if you find good value in my NSE 18 certificate or PMP certificate then you suppose to kill divorcee first because this tells that bhargav is world best person and doing class work without considering divorcee at all....check BE Civil original degree-->

Bhargav Bhatt wants Maximum sustainable salary on 100% correct CV data so i can sustain that salary for next 50 year so I can work without personal interference(divorce).In below scenario all people in city try to kick ass of my job(put bhargav in clutch in job profile) by misusing bhargav private ongoing job thinking(bhargav thinking while bhargav doing the job)-Bhargav private thinking is fully accessible to all people around me. (international CID proven 3 scenario)Scenario (1) for JOB --> Bhargav work for VB6 without any type of database like no sql server,No oracle,No access, no mysql,no sybase,no website(webform),no testing profile,no dotnet( you suppose to give me job in VB6 without any database so you are not gone a gave me any work in dotnet and database )Scenario (2) for JOB -->BE Civil fail in(25% of total subject E & F grade) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Finish BE Civil in 4.5 year instead of 4 year(9 semester instead of 8 semester) and Bhargav pass BE civil with 49%(CPI 4.91) so Not able to appear for any entrance exam where 50% minimum is required ( this data tells that I am poor in Civil officially) Scenario (3) for job-->18 NSE Certificate having average percentage of 75-80% (I have nothing other in job profile) (Bhargav pass 12 NSE certificate and 1 PMP certificate before leaving DOTNET Master job (Allscript) )Now if we compare above 3 scenario and in all 3 scenario 50lac people try to find a points for how to fire bhargav from current job using bhargav private ongoing job thinking then from above 3 scenario in which scenario I can sustain my job for more time frame.....I think 18 NSE certificate.(current average is 5 people phone call in 5 minute to kick my ass of current job from my live thinking)(I have no rights to make my manager full by 10% that is not right so no scope to write 1% wrong in CV)

so bhargav bhatt whole life is 100% legal with every aspect

Bhargav and Bhargav father(Bachubhai N Bhatt) not did a business for whole life and in India all company give salary after tax deduction only and if you ask Indian Gold medalist Charter accountant that how to save tax in salary then he will tell that you can not because company upfront deduct tax and submit that tax to income tax department so no scope of tax corruption in salaried job profile in India but when i will do the business then i will do tax manipulation with CA in loop legally ok.This statemnt is visible every where like Bhargav try o get more money then VB6 without any type of database like no sql server no access no orale no mysql no testing job profile no webform or web development and no step by step experience of dotnet and BE civil 49%(CPI 4.91) and fail in 25% subject(10/40 E an F grade) and finish in 4.5 year instad of 4 year so clear the exam of 12NSE and PMP before leaving dotnet master job and after leving that job clear another 6NSE certificate and also work with aditya birla money to kick start in financial area.Information for bullshit people who is kick my ass in any area irrespective of right and wrong--> so if you can not play right wrong game in divorce with me then do not try to find a corruption in lower level middle class profile and India their is hundreds of big giant corrupted people so have fun.....for your information that every company deduct the tax according to the salary slab from the every employee every month and submit that tax to income tax department every month so company make a final document of stating that how much tax is diducted from that employee and gave that finalize document to employee in march ending (FORM16)so if any employee left the job and not get the FORM16 on time then tax corruption is not done because tax is already submitted to department every month by company.and if an person is earning 5000Rs then CA will charge 150RS for tax filling and if another person is having a salary of 5000000000 then also CA will charge 150RS because if person is having only salaried income then any CA can not save 1rs tax so they cannot charge more then 150Rs but if any person is having a business of 500000000 and then CA can save 3 lac from that and he can charge 25000 Rs as service charge from that person.

indian people make 50000 pages of mental harassment case with bhargav in last 5 year and right now they gave me a job of individual person sales job with starting of 0 active account..so i have to perform with same people who did a harassment of 50000 pages and obtain my sales target form bullshit

personal interface people and this people gone a tells me that even if divorce is finish with legal system after playing 3-4 year tarikh tarikh still they gone a ask me that if you tell I love you to divorcee then i will gave you sales for your target.... did you think that still that i not go for medical test right now and show that medical report to world that bhargav bhatt all statement is 100% right and then sales is possible but before medical treatment sales is not possible from 0....bhargav not join angle because he tell me that i will not get single active client and in nadiad javeri he called me for manager and then gave me pure sales job not even dealer profile (that i was working in last company)and then now he is ready to gave me dealer cum sales but their is another 2 person as a dealer and i will not get any other client that i source at my own.. so same deal like from 0 and target is very heavy so this condition is not good for sustain this job for long time.

If anything misschif happen to Bhagav Bacubhai Bhatt(myself) died suddenly then my postmortem suppose to to be done in front of my family doctor and few **doctor from my own family** and keep a close watch of all my below DICOM CD (existing medical report as below links) and then conclude that what happens to me and died with comparison of my existing collection of medical report. and if anything not follow to the medical standard then take a corrective action with proof... so you suppose to take a video of my postmortem and put that video on you tube with public access with my existing medical reports so whole world will take more precise corrective action... so this is final declaration and my postmortem can not be bypass by any of my family member (sign by Bhargav Bachubhai Bhatt)

Indian people make 50000 pages of mental harassment case with bhargav in last 5 year and right now they gave me a job of individual person sales job with starting of 0 active account..so i have to perform with same people who did a harassment of 50000 pages and obtain my sales target form bullshit personal interface people and this people gone a tells me that even if divorce is finish with legal system after playing 3-4 year tarikh tarikh still they gone a ask me that if you tell I love you to divorcee then i will gave you sales for your target.... did you think that still that i not go for medical test right now and show that medical report to world that bhargav bhatt all statement is 100% right and then sales is possible but before medical treatment sales is not possible from 0 even i am best in that area....

Bhargav and Bhargav father(Bachubhai N Bhatt) not did a business for whole life and in India all company give salary after tax deduction only and if you ask Indian Gold medalist Charter accountant that how to save tax in salary then he will tell that you can not because company upfront deduct tax and submit that tax to income tax department so no scope of tax corruption in salaried job profile in India but when i will do the business then i will do tax manipulation with CA in loop legally ok so if you can not play right wrong game in divorce with me then do not try to find a corruption in lower level middle class profile and India their is hundreds of big giant corrupted people so have fun.....

Internet Link of legal document of western union stating that Bhagav Bhatt got 59944 INR from US sister an that is only inside my bank account otherwise Bhargav become BEGGAR(bhikhari) in last 5 year due to mental harassment of divorcee ---> <http://goo.gl/6EhGY1>

so conclusion is their is a computer chip inside Bhargav Bhatt brain and using this computer chip anybody can think inside my radio and if this chip find my current ongoing thinking is very adversely affected to divorce then this chip generate pain inside my chest or knee or brain on that fraction of second and i have 50000 on second proof of this pschology up to current date and today I have 2 proof of this so I got practical proof of this thing every day inside my body with physical pain on second and physical pain non comes under psychological disorder this comes under neurological disorder.....and i gone through my eyes test with <http://zydushospitals.com/> with dr ridhi and this doctor tells me that my eyes is healthy....can you tell me that which brain test will gave Bhargav exact location of this above chip???????????????? and i never think that my chest or knee does part time thinking work because on second pain is not possible without brain corruption ok

Can you check Bhargav Bhatt medical DICOM CD download link as a radiologist something is wrong inside or not-->

lets say you make Bhargav current ongoing thinking to all India radio for playing ethical right wrong game that is fine with me because i did all past work 100% right and legal so no issue in playing ethically right or wrong game by indirectly big boss or big brother...BUT.... you gave rights to divorce lawyer to sit inside my mind and that divorcee lawyer can think inside my all india radio and people cannot segregate that this is not bhargav own mind generated thinking and divorcee generated thinking and all people misguide by divorcee lawyer injected thinking and gave contract to haresh bhargav indirectly with 50million people so Bhargav is in loose control then only divorcee lawer is inside my war playing field and make my wrong artificial movie and my conscious thinking doesn't know that what happens inside my mind so indirectly I have a disease that my thinking think against me right? and this divorcee lawer gave answer of my every thinking via meaningful song so you people can analyze that which song is injected by divorcee after which thinking so you come to know that bhargav thinking is right or wrong... so gave me one answer that in ethical big boss or big brother serials you gave other person right to think inside my thinking and people gone a vote with misguide that all thinking is one person bhargav thinking right mother fucker..and not only that if that divorcee lawer find too much adversely affected thinking inside my thinking then to remain pure virgin(sati sita) inside my thinking that divorcee lawyer gone a generate pain inside my chest or knee or brain because you surrender bhargav full nervous system without any affidavit that you are gone a use only read only rights to play ethical right wrong game or big boss or big brother but you bullshit people gave editable rights to that divorcee lawyer who is sitting inside my mind and that lawyer makes me mad 24\*7 since 5 year and last 2 year that lawyer start generating pain because bhargav legal data goes to public and not able to survive using primary weapon of thinking injection so use secondary weapon and start generating pain inside my (1st Dec 2012)body so in sort you bullshit people not play right wrong game with me in last 5 year and you spoil my 5 year and makes me mad and financial loss and carrier loss and physical damage....so bhargav needs from indian doctors that they can keep my thinking as all india radio all CID and super CID can play right wrong game with me for my whole life and I not did single wrong thing so no issue in that BUT BUT nobody other person can think inside my thinking cum radio and misguide the people around me and also not able to generate any type of pain in any part of my body....this is pure nervous system hack and my thinking is hitting my chest or knee or brain(so technically think that with second accuracy any song injection is possible then pain generation on same second is also comes free with that super hacked nervous system you bullshit people just ask this thing to neurologist or neurosurgeon and confirm that AND psychological disorder is their then there is no pain inside my brain at all but if on my super adverse thinking to divorcee if I have no chest or knee pain then my brain have huge fluctuation on that second of tara faliya ma pag nahi melu) so this treatment is must for indian doctors and I am not ready to bypass this treatment with 50 car or 50 bungalows or miss world so if indian doctors not able to solve this then put the respective person behind the bar and you people not did my medical treatment or jail to respective person then I will try to solve with other country doctors simple and sweet.Bhargav Bhatt Done CT Angiocoronary and Left Knee MRI from <http://zydushospitals.com/> and Care recipient No of that hospital is ZYDUS/11637 and I also did CT Brain Plain from <http://apolloahd.com/> and UHID is AAHL.218267

Now when in near future Bhargav Bhatt visit any hospital or any doctor then at that time do not dare to manipulate my medical report to save divorcee because I am playing world doctors war so I am gone a repeat that medical test with other hospital so do not spoil your name in front of US hospital or Canada hospital or Japan hospital or Russia hospital many more country hospital because if you dare to manipulate my medical test then all country gone a kick your ass of hospital and even that doctor and that doctor might lose his degree if he try to be over smart with me. So save your name because if there is a nonsense in my body that will come out in front of US or Canada or japan or Russia so think to save yourself with peace with right medical test and treatment of Bhargav.

lets say you people make Bhargav Bhatt live current thinking and eyes to a publically accessible radio. Now if Bhargav think that you make Bhargav thinking to publicly accessible radio for playing right and wrong game then it is right like Indian CID analysis bhargav live thinking radio and find my corruption and kick my ass if i am wrong that is maths of playing right wrong or playing Big boss or big brother game and Bhargav have no issue in that. Now if you gave rights to divorcee lawyer to think inside Bhargav publically accessible radio thinking ...this is also requirements of playing right and wrong game or big brother or big boss.....or you haresh the Bhargav 24\*7 for last 5 year by giving non required rights to think inside Bhargav Bhatt thinking.....Now that divorce lawyer you gave a official sit inside my mind and able to misguide the people or gave contract to people for haresh Bhargav via thinking wrong thinking inside Bhargav mind. Now I have a huge chest pain while i write this because you gave full rights to that lawyer inside my mind and during i write this statement that lawyer cannot survive inside my mind so generate a chest pain on this second.. so you gave a full rights to that lawer to think inside Bhargav mind and even kill Bhargav or paralyze bhargav upto fully extent(due to full nervous system is hacked)...(last 2 year physical pain)

Bhargav Bhatt wants Maximum sustainable salary on 100% correct CV data so i can sustain that salary for next 50 year so I can work without personal interference(divorce).In below scenario all people in city try to kick ass of my job(put bhargav in clutch in job profile) by misusing bhargav private ongoing job thinking(bhargav thinking while bhargav doing the job)-Bhargav private thinking is fully accessible to all people around me. (international CID proven 3 scenario)Scenario (1) for JOB --> Bhargav work for VB6 without any type of database like no sql server,No oracle,No access, no mysql,no sybase,no website(webform),no testing profile,no dotnet( you suppose to give me job in VB6 without any database so you are not gone a gave me any work in dotnet and database )Scenario (2) for JOB -->BE Civil fail in(25% of total subject E & F grade) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Finish BE Civil in 4.5 year instead of 4 year(9 semester instead of 8 semester) and Bhargav pass BE civil with 49%(CPI 4.91) so Not able to appear for any entrance exam where 50% minimum is required ( this data tells that I am poor in Civil officially) Scenario (3) for job-->18 NSE Certificate having average percentage of 75-80% (I have nothing other in job profile) (Bhargav pass 12 NSE certificate and 1 PMP certificate before leaving DOTNET Master job (Allscript) )Now if we compare above 3 scenario and in all 3 scenario 50lac people try to find a points for how to fire bhargav from current job using bhargav private ongoing job thinking then from above 3 scenario in which scenario I can sustain my job for more time frame.....I think 18 NSE certificate.(current average is 5 people phone call in 5 minute to kick my ass of current job from my live thinking)(I have no rights to make my manager full by 10% that is not right so no scope to write 1% wrong in CV)

Postgraduate Programme in Information Technology (PGIT) 2000 To Sep.2002 From Gujarat Law Society Institute of Information Technology, GLS Campus, Opp. Law Garden, EllisBridege, Ahmedabad, PIN 380 006, Gujarat, India. Bhargav Bhatt Not Able to clear the Entrance Exam of PostGraduate Programme IN Information Technology,Gujarat Law society Institute of Information Technology,Ahmedabad So I take a admission as Non University course(as they are ready to gave some extra non university seat and i will not get university degree) But After Finish this course

they gave me Gujarat University Recognize certificate but this certificate is not affiliated with Gujarat University(Because course is not designed by University and lecture is not taken by University professor.(My student Id is 001/2000-02/145 even after my name start with B because they start the student ID who clear the entrance exam first so I not able to clear so got 145 ID.After finish of 1 batch this course is close.Student ID: 001/2000-02/145 (as appearing on the Certificate) check original certificate at this link--> <http://goo.gl/9LSKLc>

If anybody gave bhargav job on condition like they can put me in clutch in job work after sometime and they get the output in bhargav divorce case then that will not happen once again in bhargav life.Bhargav gone a sell pure 8hrs not personal life at 50 milion USD.

When Bhargav meet divorcee first time at that time bhargav not hold 18 NSE certificate and PMP certificate...Now think that Bhargav clear 12 NSE certificate +PMP before leaving DOTNET master job(21 January 2011)(when we both are living saperately after both family eat goldhana and even not able to resolve the issue during this time i clear 12NSE+PMP) and clear 6 NSE certificate after leaving DOTNET master job(check dates inside my certificate) NOW you people tells me that I work in my job profile for keep a close eye on divorcee so i might not gave more money to divorcee or something like that.....now people find more value in BE civil 49%(CPI 4.91) and fail in 25% subject of total subject (10/40 E and F GRADE) subject and finish in 4.5 year instead of 4 year(1995 entry and 2000 passout) OR you find value in VB6(not dotnet) without any type of database like no sql server no access no oracle no Sybase no mysql. AND without website(webform) and without testing profile for whole life..AND my average percentage of NSE 18 certificate is 75-80% and good score in PMP so if you find good value in my NSE 18 certificate or PMP certificate then you suppose to kill divorcee first because this tells that bhargav is world best person and doing class work without considering divorcee at all....check BE Civil original degree--> <http://goo.gl/8uULij> OR <https://docs.zoho.com/file/grb6sb390f5d8d78241068c127786be4dfbe5> OR <https://www.hightail.com/download/UJRSeVdoSU9KV01LSk5Vag> OR <https://www.dropbox.com/s/dwt6qz1mtoy6ih4/Bhargav%20Bhatt%20Marksheet%20and%20Degree%20Certificate%20for%20Non%20Ecr%20Proof.pdf?dl=0> Financial certificate--> <http://goo.gl/VryWNf> OR <https://docs.zoho.com/file/grb6sca05399bd14090a7bbe63900bda686> OR <https://www.hightail.com/download/UJRSeVdoSU9wTVhSc01UQw> OR <https://www.dropbox.com/s/j11yytksiwf58oh/Bhargav%20Bhatt%20Financial%20certificates.pdf?dl=0>

Bhargav mind thinking is war playing field and thinking is a weapon inside war playing field. Inside this war playing field (bhargav mind thinking) divorcee lawyer sitting inside bhargav mind and keep close watch on bhargav own thinking 24\*7. Now divorcee lawyer can think inside both the state of bhargav mind 1) tight coupled 2) loose coupled mind state. Now when bhargav is in tight coupled mind state (fully awake) and bhargav own thinking think something 100% correct and that thinking is not like by divorcee lawyer who is sitting inside my mind then that lawyer gone as a counter attack to my 100% correct thinking --> think meaningful song inside my thinking. so bhargav own thinking never think any song still songs comes inside my thinking so people around me can analyze in this way that after which bhargav thinking this meaning song is think by lawyer as a counter attack so what ever bhargav think is right or wrong. Now if that divorcee lawyer want to gave contact to haresh bhargav to all people around me then lets say i am in front of huge market and i am thinking for 5 minute and in between that 5 second divorcee lawyer think something wrong and misguide the people around me and i see the havoc in people around me and if i go back inside my thinking and try to find what last i think then i will not find anything because 5 second thinking is not generated from bhargav own mind so my legal data must be exposed to all technical giants so no scope of become bhargav illegal in front of market but bhargav gone a remain wrong person without any proof of data so like playboy without using hand will remain because my thinking is hacked but my hand is in my control and work as bhargav etiquette. Now bhargav is in loose coupled mind state -if i did something good work then thinking repetition will come inside my mind and in my loose coupled mind state lawyer gone a make any bullshit picture (video) of bhargav and make the public full. now using above technology divorcee lawyer can not survive from date 1st December 2012 because during this time frame bhargav all data goes to all people around world via Aditya Birla Money internet and all email address during that date so above power can not been survive legally so that divorcee lawyer start generating pain inside bhargav chest or knee or brain on fraction of second 100% correct thinking (half

thinking is done on that second i have pain and half is pending to think so lawyer is using thinking prediction technology and this this thinking is 100% adversely affected to lawyer) and i have 50000 on second of this psychology pain up to current date.so that lawyer try to remain world best person inside my mind using above technology amn still after finish of divorce legally i have pain using same exact technology. and this lawyer try to save in huge area so indirect to indirect bhargav own mind thinking gets disturb the divorcee lawyer and i have pain while doing job and i am right in job profile and main area like character and financial all area is covered by divorcee lawyer and i have pain in every area.I have simple requirement from Indian doctors that they can keep my thinking accessible to CBI or FBI and whole indian people for whole life i have no problem of if doctor not remove publicly accessible thinking because I not did any 1% illegal in past and no plan do 1% illegal in future(and my current legal data can not be object by 50 lac person(friends and all) who come in my contact up to current date) BUT BUT divorcee lawyer who is sitting inside my mind should not think inside my thinking at all(only pure bhargav own thinking publically accessible to world) and divorcee lawyer not able to generate pain in any part of bhargav body.pain generating remote control must be removed by indian doctor at any cost.Most important thing is above technology is being used only by divorcee lawyer who is sitting inside my mind is when bhargav thinking is in RELAX state .relax is i am not intensiosly think against that divorcee and something comes inside my thinking naturally and not like by divorcee lawyer then this lawyer is gone a use above technology like thinking injection(if thinking is 80% damaging) and pain generation (if thinking is 100% damaging to lawyer) depending upon how much damaging that thinking is.One most important thing is in loosely coupled mind state(100%loose) (sleeping)then divorcee lawyer try to misguide the people like make this divorce case active via thinking in favor of divorcee so people misguide that bhargav have feelgood factor towards divorcee and people start working for bhargav diversion towards divorcee.BUT bhargav own thinking is not having feelgood factor towards divorcee..NOW all CID and FBI read above statement 50 times and try to prove above statement wrong with 24\*7 keep close watch on bhargav ongoing thinking and as per my thinking within 10hr all above statement gone a prove with good IQ person.

Right now If any person in this world is ready to pay my life insurance premium then Bhargav Bhatt is not ready to take that life insurance free.... Because this free life insurance will gave a boost to Bhargav bhatt hacker to kill me and get money after that...Right company and right person will offer me Health insurance according to below statement(not life insurance) Then and then that company mind is right otherwise that company is bullshit and not got what i written in below statement

Whatever I see and think that is available to all over the world is math's for playing the right wrong math's and I have no issue if this continue for whole my lifetime but If my thinking adversely affected to divorcee and on that second my nervous system hit my knee or chest to stop that thinking to remain best person in the world that is not the right wrong math's so India suppose to provide me CID when I visit hospital and make sure my physical damage power is removed medically and this is minimum human rights I am expecting from india .How Bhargav Bhatt Thinking can generate pain in Bhargav chest or knee or brain on second accuracy with 50000 on second proof --Now how can Neurosurgeon can solve this problem--For matching of India and Bhargav bhatt this problem must be resolved with peace by Indian doctors.I am not tells you to stop my publicly accessible thinking and eyes --> I have no issue of this thing continue for whole life but as per my below statement somebody try to stop my thinking via generating pain in Bhargav chest or knee or brain is not at tall right wrong game this is bullshit work and this suppose to stop at any cost and i will not accept rocket in substitute of not stooping this pain generating power inside my brain from anybody(because you are not want to play right wrong game using this you mother fucker want to bypass right wrong game).my publicly understandable thinking becomes big problem for others that is why i have a pain and if i have no pain then i have no issue of publicly understandable thinking and eyes for whole life. Now if you gave me medicine for make the "GYANTANTU"(sense fibers) loose control and after that I not have a control of my own thinking and due to that I have no pain anywhere that is not a proper solution.right solution is

their should be no pain with my full control thinking mind.

there is an abnormal material inside Bhargav's mind that separates my thinking that adversely affected the divorcee and on that second that material generates abnormal hyperintensity or something that can pass up to my knee or chest or brain and can generate pain in my knee or chest or brain (via any connected veins) sooooo due to pain has higher priority in nervous system i divert towards pain and my thinking that going flawlessly inside my mind gets disturbed so i got punished due to some other person work this all process goal is to do not want to be naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stopping this nonsense power and cheated me. Now that abnormal material that resides inside my mind has a psychology of big big lawyer of divorcee and that lawyer wants to save divorcee on all areas (more than direct required area) That lawyer hit my knee or chest or brain on below half thinking-On Bhargav Good character (live) with anybody-On Bhargav is legal in job-On Bhargav doing a job and that is indirectly adversely affected to her-On If Divorcee past bad character-On Bhargav is right legally in job profile-On If My true right data gets exposed to some more area-On if Bhargav's financial data is right-On small small like my sofa is hard-work earning or any similar-On direct or indirect to indirect adversely affected to her So There is a very BIG lawyer mentality that hit Me(Bhargav) on all above half thinking(half thinking is pending) so stop my thinking in all above area. And do not want to be naked inside my thinking zone. Because if I am not wrong my thinking is public so that abnormal material do not want divorcee to be naked in public mind so after my all legal data is exposed on 1 dec 2012 that material has no option to save using this above direct hitting technology. I have 10000 hit on my body on each above scenario. According to this lines I am fighting with Biggest lawyer in the world so that is why I know that nobody in this world can be more than this biggest lawyer

Bhargav Bhatt CV is updated at India top 10 job site (with publically complete visible CV profile and visible phone number) Now how many phone calls I received on my primary mobile number since last 5 year (that is updated at all job site )And even after I did plenty of jobs apply from all jobsite-->how many phone calls I received on my primary phone number

Bhargav will go for one medical test from X hospital and gave that test result (report) DICOM CD to every country. NOW i will go for same medical test from Y hospital and gave that medical result(report) and DICOM CD to every country. and repeat this process for multiple times. NOW world will decide from all report that which hospital dare to gave me wrong report of me. and also check all internal of report( i will spend my all future salary in this until removal of physical pain)if any hospital dare to gave me wrong medical report then all world big person will kick the ass of that hospital so there is 2 alternative I can go for hospital to remove this physical pain directly and both will forget everything and both go to hell 2nd alternative is i can go to hospital to put you behind the bar and use that data legally so when ever i go to hospital do not use your mind and remove this physical pain directly otherwise i will change my mind and then i will use hospital across the world to put you behind the jail...when you are giving Bhargav current mind thinking and current eyes to divorcee to play big boss or big brother at that time did you put a condition that you can not inject your thinking inside Bhargav thinking and you can not try to hit Bhargav knee or chest or brain to stop Bhargav thinking that is adversely affected to you ( did you write affidavit like that) did you plan to play big boss or ganta boss and ganta brother.If any GOD or company wants to talk with Bhargav then 1st line of discussion must be neurosurgeon otherwise go to hell and don't come near to me.(my physical pain is highest priority then 50 million USD) Bhargav is playing self defense case for my current physical damage in chest or knee or brain due to Bhargav brain is hacked by divorcée (I ignore since 2 year but at current date it is not acceptable)what ever Bhargav think and see (private data) is available to all Indian people and also directly available inside the TV that is fine with me but MY physical pain power must be stopIf Bhargav start job without stopping invisible physical damage then divorcée gone a finish & jail is confirm. IF you remember Aditya Birla

Money what happens with me and same thing happens again then I have lot of counter attack ready with me and world have clear idea about this power then what will happen? and above thing is beneficial to me if this thing expose to more people....If any GOD or a company talk with me other then neurosurgeon then that is punishable act and Bhargav gone a kick ass of that GOD or company. 1st line from anybody who wants to deal with me suppose to be neurosurgeon otherwise don't come near to me

Gave me the name of the Big company who gave power to divorcee for Bhargav Bhatt full brain control to hit me physically on my half adversely affected thinking. Then I will put that big company in front of 500 country minister and will see how big that mother fucker company is.because below written statement is bullshit protective protection of divorcee on my 100% correct thinking so this thing can not done by any god or guru because no god or guru works against right and hit me on the 100% correct statement thinking.for your knowledge Bhargav Bhatt is 100% legal at every company in my life ( i not take pen or pencil at any place and i use 100% correct and right documents every where) Internal--> <http://sdrv.ms/15F1Vd3> or <http://goo.gl/7l7gz>

Bhargav Bhatt stay at 22,Kalyankunj,Mill Road,Nadiad 387001(Mafatlal company house Address proof OLD Reshan Card --> <http://goo.gl/OlZaHc> ) for about 25 year and my father earning round about 1000Rs per month for 5 year then 2000Rs per month for 5 year and 4000Rs per month for 5 year and at the time of retirement last month maximum salary is 5943.77Rs per month (Dec 2002) and My father retired in jan 2003 So In above salary Me(Bhargav) and my both sister and mom and dad supposed to sustain 5 person life with one person salary and in above salary me and my both sister study and routine life(food and must require thing) and by saving one pany,pany from above earning right now everything is running.My father use bicycle for whole life and I use bicycle for up to age of 24.In above period 5 person survival with above salary is done by no newspaper no telephone no extra bills at all and only food and study and suppose to save from above salaryBhargav Bhatt money earning details FEB -2011 TO SEP-2012 NOT working NO Income. OCT—2008 to JAN-2009 NO JOB & NO INCOME.June-2013 to current date NO job and no Income(Recently i am earning 4000Rs per month ) My father retired with 6000Rs In hand salary.During last 3-4 year Bhargav Bhatt becomes beggars Axis bank and HDFC bank deduct charges for non-maintaining minimum balance because I have no money in any account so not able to maintain minimum balance and Not able to renew My LIC due to no money in my any of the account (and I do not want to take money from anybody)Bhargav sell DAD and MOM shares(transferd from UTI bank) and that money is in my savings account right now otherwise i have nothing...and recentely my sister send some money from abroad(60000Rs via western union that money is right now in my HDFC bank) Bhargav Got 35000Rs for desktop from US. When you are giving bhargav bhatt current mind thinking & Current Eyes to divorcee to play big boss or big brother

(right wrong game or CID) at that time did you put a condition that you can not inject any of your thinking in Bhargav thinking and you can not try to stop Bhargav thinking by generating pain in knee or chest or brain on that second. And you have only read only rights to play right wrong game and you can not use editable rights. (did you sign a affidavit like that before surrender my (bhargav) brain to divorcee) or you mother fucker want to play Ganta Brother and Ganta boss with me.

brain thinking predicting technology is used with bhagav otherwise half damaging thinking I not have a pain in my knee or chest or fluctuation in my brain on same fraction of second is not possible( like on my thinking start with one word and super power know all 4 line of next coming inside my thinking so if that thinking is adversely affected to divorcee in any direction then you can try to damage my knee or chest or fluctuation in brain on same second (first word of thinking) to stop my next 3 line of thinking) so people around me not gone a feel my pain and they know the only one word from my thinking and after that due to pain in my knee or chest or brain i stop or divert in my current thinking so you dont know all 4 lines of thinking and i stop on 1st word of thinking due to pain so people around me not feel my pain and not know the full 4 line of next thinking so that person doing bullshit protective protection in huge area like other then her direct charecter problem that power hit me on my good charecter with any other girl or indirectly my job work affect that divorcee legally or bhargav bhatt is 100% legal right ten also that power hits my knee of chest or barin same brain thinking predicting technology is being used in primary weapon like "tara faliya ma pag nahi melu"

Bhargav Bhatt gives you precise software name and address where you can go go directly and see the VB6 without any database software live so no need to ask any of my friend to confirm VB6 without database 1) E-Design Softech Pvt. Ltd., Baroda product name MiniWare 2year VB6 without database <http://www.structuraldesignsoft.com/MiniWare/default.htm> download the demo version or Miniware software and check that it is made in VB6 without database or not. This link is no more working after i download the demo vesrion using my postpaid Vodafone internet so i have setup of miniware demo if you want to check(check my email containing download key of miniware) 2)Chase Info-Tech Ltd, Ahmedabad worked at I&T chiyoda as a employee of chase 1 year VB6 without database software name Hydroace software is made by L&T chiyoda baroda for chiyoda corporation japan so you can check that softaware is made in VB6 without any database or not 3)Cimcon Software (India) Pvt. Ltd, Ahmedabad. 1 year VB6 without database in software "E-InfoTree desktop module excel plugin" their is a one excel macro already made and i have to use excel function in pure VB6 application(activex dll) and this is only for 11 months and this application do not have any database like sql server or oracle or sybase or mysql or oracle and i not made any new macro 4)Syntel (India) Ltd., Mumbai 3 month dotnet with database due to poor performance 5)Ness Technology (India) Ltd. 1 year pure VB6 bugfixing in VB6+database application thier is a company name Retalix working for TESCO and software name is Storeline made in VB6 + database but my job is taking pure VB6 bug from big collection of bugs so this proves VB6 without any database 5 year. for my technology checking I gave you company address, website, phone number then you as a CID can go their and check that respective software live is made in same technology that I mention in my CV and same can be cross check from my friends from facebook and orkut login ID [bhargavbbhatt@gmail.com](mailto:bhargavbbhatt@gmail.com)

Bhargav Bhatt Have an experience of VB6 without any type of database (only desktop application),without

website,without testing 5 year that means I am not having experience of DOTNET and database and I am working as a master of dotnet+database like having an experience of 5 year in DOTNET+database.And I got a software named called Sunrise Medication Management(Staff Software Engineer) and Onsite(Associate) both software already made in DOTNET+Database and both software new development or enhancement is only done outside India so i not get the work to write a to z but i got the work to solve g one day and solve x one day and solve j next day so i can not learn and become master in that environment for dotnet .I have no idea which type of error will occur at what time because I not made single application in dotnet before.so I not get a chance to learn DOTNET step by step from this experience so clear 12 NSE and 1 PMP certificate before leaving that job.and right now holding 18 NSE certificate and also work with Aditya Birla money. But all this with 100% right education and experience documents no illegal at all.:)From total subject of BE Civil Bhargav Bhatt fail in(25% of total subject)(10/40) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Bhatt Finish BE Civil in 4.5 year instead of 4 year(9 semester insted of 8 semester) and Bhargav Bhatt pass BE civil with 49% so Not able to appear for any entrance exam where 50% minimum is required(not detain for attendance for whole life officially in any of the subject) above statement tells that I am poor in Civil so that is why I clear 18 NSE Certificate.

Bhargav Bhatt VB6 without any database experience proof-->When I joined my first company at that time name of my company is Kant Structural Design Soft Pvt. Ltd. And after that name of this company is being changed to e-Design Softech Pvt. Ltd. website <http://www.structuraldesignsoft.com/contact.htm> my VB6 without any database software name Miniware details is also available at that website.( <http://www.structuraldesignsoft.com/MiniWare/default.htm> )US office is running I have 4 friends(Rushikesh Baiwar,Rishi Gupta,Jayant Mukharjee,Srinivas Maruti) who work with me on same software VB6 and you can check the live software from US office address (<http://www.structuraldesignsoft.com/contact.htm>) that .2nd company name is CHASE INFOTECH LIMITED Ahmedabad website of this company and this company is close from Ahmedabad. But I worked at L&T chiyoda baroda <http://www.lntchiyoda.com/contact.htm> as a representative of chase Infotech ltd. And product name is Hydroace this is product that is used in piping industry made in VB6 and no database.( I have 15 friends (Alpesh Mistry, AbbasAli Trunkwala ,Keyur Sheth, Shalabh Sindwani, Fakruddin Mansuri) 3rd company details as follows CIMCON SOFTWARE (INDIA) PRIVATE LIMITED <http://www.cimconsolutions.com/contactus.asp> product name is e-infotree desktop module excel plugin and product is made in VB6 and excel no database you can cross check my name with that product.( I have 20 friends(lakum(available inside my orkut), Sandip Karia , Amit Pandya who work with me on same software VB6 and that friends are available inside my orkut or facebook account login for orkut and facebook is Then 5th company NESS (product name Storeline) made in VB6 + database but my job is taking pure VB6 bug from big collection of bugs Friends-- Jitendra Prajapati, Alpesh Mistry So this proves Bhargav Bhatt VB6 without any database 5 year(you can find my friends inside orkut or facebook [bhargavbbhatt@gmail.com](mailto:bhargavbbhatt@gmail.com) or check live software) and I Fired from syntel ltd Mumbai so Bhargav Bhatt Not having an experience of DOTNET and any type of database(no sql server,no access,no mysql, no oracle no any other database) for whole [life.at](http://life.at) Allscripts I did 3-4 nonperformance meeting with Ashwini and also talk with manager and while working with Allscripts and doing a nonperformance meeting I learn technical analysis and fundamental analysis from NSE and got the certificate for that then i clear 9 exam of NSE and got total 12 certificate from NSE during that job(check the date inside the certificate—that is in between the joining and reliving of Allscripts) and while working with Allscripts i clear the exam of PMP also(check the date inside the certificate—that is in between the joining and reliving of Allscripts) so we can conclude that i collect 12 NSE certificate and 1 PMP certificate(check the date inside the certificate—that is in between the joining and reliving of Allscripts) as a risk management because if nonperformance meeting can convert into fire me so i collect all and leave this company because i do not want my name in job fire list and i try to get more money than civil

engineer fresher and VB6 market value in financial area and right now i am holding 18 certificate in financial area and also work in financial area to kick start in that area(aditya birla money)...Nobody can think in this direction that due to personal interference i go towards financial area because if i go for time pass personal interference then NSE certified investment analyst pro and NCMP level 5 i will not hold that .Now I have another 2 option VB6 without database and civil engg fresher now find my corruption. And my last company job requirements is as below “ Graduate or post Graduate with NCFM certification – Equity and Derivatives – NSE Cash and Derivatives or BSE Cash & Derivatives ” ..I have VB6 without any database 4 year and 1 year is pure VB6 bug fixing in VB6+database application so total 5 year of VB6 without any database of experience and i gets fired from Syntel in dotnet due to nonperformance

--when Bhargav Bhatt use VB6 without any database at that time their is no divorcee name come in Bhargav life. All Version of Visual basic Development environment from 1.0 to 6.0 are now retired and unsupported by Microsoft Bhargav Bhatt money earning details FEB -2011 TO SEP-2012 NOT working NO Income. OCT—2008 to JAN-2009 NO JOB & NO INCOME.June-2013 to current date NO job and no Income(recently earning 4000Rs per month ) My father retired with 6000Rs In hand salary.Bhargav try to get more money then VB6 without any database & BE Civil 25% Subject Fail(10/40) and 49% & finish in 4.5 year instead of 4 year So Collect 12 NSE Certificate before Leaving dotnet master job & right now have 18 NSE certificate & also work with Aditya Birla Money.Bhargav Bhatt Not Able to clear the Entrance Exam of PostGraduate Programme IN Information Technology,Gujarat Law society Institute of Information Technology,Ahmedabad So I take a admission as Non University course(as they are ready to gave some extra non university seat and i will not get university degree) But After Finish this course they gave me Gujarat University Recognize certificate but this certificate is not affiliated with Gujarat University(Because course is not designed by University and lecture is not taken by University professor.(My student Id is 001/2000-02/145 even after my name start with B because they start the student ID who clear the entrance exam first so I not able to clear so got 145 ID.Official written date on original certificate of 12 NSE + PMP certificate is before leaving dotnet master job (allscripts)(21 Jan 2011) and 6 NSE certificate is after that date so total becomes 18 NSE certificate.(in between the original experience letter of allscripts)

Bhargav Bhatt wants maximum salary on correct CV data so i can sustain that salary for next 50 year and work without personal interference like dipak and dipak ni ma.mara j vichar mathi job karti vakhate curreption kadho cho to hu CV ma kashu 1% khotu lakhu to mara company ni baju ma besto lari valo mane keshe ke kale job ma na avish etle mane mara 100% correct CV per maximum salary joie ane e salary mathi mane koi manager kadhshe nahi ane aa salary bija 50 year rehshhe now tame job karti vakhte hu kam karto hou to mara vichar mathi aa time e curreption kem kadho cho pachi kadho because darek manas no rights hoy ke manager ne 10-30% chodu banave ane mari pase 1% chodu banavnano rights nathi because hu kam karto hau to akhu city hu su vicharine kam karu chu enu analysis kare che etle hu 1% khoto CV hoy to akhi City ne khabar padi jay ke ane aa avadtu nathi ane CV ma bolbachan che ane mari job jati re me kahyu hatu ke mara 100% right CV per job apvani to niche je lakhyu che te 100% correct CV che ane hu aa job ni salari long term sachvi saku Mari jode personal war ramva vala pase aa 3 option che 1) Mane VB6 without database job apvani ane mane dotnet ane database ma kam nahi apvanu e sarate 2) mane BE Civil ma mare 49% ,8 subject fail and 4 varsh ni jagyae 4.5 year thaya che pura karta ema aa vastu e batave che ke mane civil ma kasu nathi avadtu ema 3) mari pase 18 NSE na certificate che ema ana sivay kashu nathi mara profile ma

Bhargav wants maximum salary on correct CV data so i can sustain that salary for next 50 year and work without personal interference (divorce) like dipak. Can you gave me one answer that when i am doing any job and think something to achieve the task assigned by manager at that time you all 50 lac people (other manager) try to find corruption from my that current ongoing thinking and try to kick the ass of my current job If i am wrong in above statement then you can shoot me. And if i write 1% wrong inside my CV and you all 50 lac people try to kick my ass inside my job then how much time i am able to survive that job??? 1 month 2 month tell me so getting a job is not important but survive the job for next day is impossible if i write 1% wrong inside my CV for Bhargav because i have to play war with 50 lac other people at that job thinking time. So sustaining the job for next 50 year(after divorce) I have to write 100% correct data inside my CV. Every employee has a rights that he can make full to his manager upto 10-30% by getting the work done by internet or with help of someone else or something else. But in my case if i write 1% wrong inside my Cv then whole city gone a come to know that I write a fake statement i don't know that particular technology at all and i am finish in front of 50 lac other manager in that city. So according to 100% CID provable CV I have this 3 option with me for job for sustain for next 50 year 1) you suppose to give me job in VB6 without any database so you are not gone a gave me any work in dotnet and database 2) BE Civil fail in(25% of total subject E & F grade) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Finish BE Civil in 4.5 year instead of 4 year(9 semester instead of 8 semester) and Bhargav pass BE civil with 49%(CPI 4.91) so Not able to appear for any entrance exam where 50% minimum is required ( this data tells that I am poor in Civil officially) 3) 18 NSE Certificate (I have nothing other in job profile)(Bhargav pass 12 NSE certificate and 1 PMP certificate before leaving DOTNET Master job (Allscript) )

Bhargav Bhatt fail in(25% of total subject) 10 subject in BE Civil out of total 40 subject and repeat theory and practical of 8 subject and Bhargav Bhatt Finish BE Civil in 4.5 year instead of 4 year(9 semister insted of 8 semister) and Bhargav Bhatt pass BE civil with 49% so Not able to appear for any entrance exam where 50% minimum is required(not detain for attandance for whole life officially in any of the subject) Is this above statement is legal weapon for anybody above statement tells that I am poor in Civil And nobody can use BE civil as legal weapon And due to Bhargav Bhatt poor in BE Civil Bhargav Bhatt collect below certification List of Financial certification:: NSE's Certification in Financial Markets (Clear NCFM 12 Module, Clear NISM 2 Module) From NATIONAL STOCK EXCHANGE OF INDIA LTD (NCFM ID: 803913 same for all subject) 1)NSE Certified Market Professional (NCMP)(Level-5)(Highest Level) 2)NSE Certified Investment Analyst Pro 3)Options Trading Strategies Module - 88.75% 4)Derivatives Market (Dealers) Module - 64% 5)Mutual Funds : A Beginners' Module -78% 6)Investment Analysis and Portfolio Management -74.5% 7) Capital Market (Dealers) Module -63.25% 8)Currency Derivatives: A Beginner's Module -79% 9)Securities Market (Basic) Module -80.25% 10)Commodities Market Module - 81.25% 11)NSDL-Depository Operations Module-64.25% 12)Insurance Module-62% 13)NISM Equity Derivative module-74% 14)NISM Currency Derivatives module-66.5% 15)Fundamental Analysis module-80.75% 16)Technical Analysis module-77.5% 17)Successfully completed 4day and 2day training program on Technical Analysis & Fundamental Analysis jointly conducted by NSE and Manipal Education (ID-05PUN08101722 & 04PUN08101720) and holding the completion certificate from NSE. check the average percentage of financial certificate. Bhargav works with financial company --> Aditya Birla money

just call NSE and ask for NCFM department and then tell them that my(Bhargav bhatt) NCFM ID is 803913 Now ask

the percentage of all above 18 certificate exam .National stock exchange is biggest financial entity in india like NASDAQ and DOWJONS in US.and NSE is pure high tech we can select the any subject exam online and we can book a examination center at our nearest city and we can see the avability of examination center free seatonline and accordingly to free seat we can book the exam at nearest NSEIT exam center and after we got hallticket and we suppose to booked examination center with valid photo ID proof and they gave us a seat on computer and start the exam .nobody(instructor) sitting in our room but they watch each and evry candidate via CCTV camera in that room so if student move a bit then that instructor comes into that running exam room and solve the query of that student.And after passing that exam that certificate is visible in student login ID.

<https://www.enit.co.in/ORE/OREloginPage.jsp> then enter details as below Userid: bhargavbbhatt password: dattu@123 Login into my NSE account and now click on (Query / Report (Certificate / Hall Ticket) --Click here) link and then certificate link to view my all National stock exchange certificate with Print Certificate Button (one by one selecting radio button)

My mind is generating a pain in my brain or chest or knee on same second when my thinking is directly or indirectly adversely affected to divorce (On half damaging thinking) Only otherwise i have no pain (with 50000 on second proof from date 1 Dec 2012 with same schychology)at all And I make diary inside that i write date time of pain intensity of pain(1/10 or 2/10) and thinking that going on my mind on that second (my chest pain is for second and moving the different area of chest every time) and i have no blockage in CT coronary angiography and LIPID profile blood test is healthy from blue cross laboratory so keep my chest rouse (for over oil my chest engine for nonsense movement i am taking ayurvedic medicine in for my healthy chest on paper so their should no effect of nonsense power) and if anybody put gun on my head and tell me accept divorcee then also i will not accept and i tell that guy that shut me lets see...<https://app.box.com/s/g2039e3zljbjqd38b3v5> or <https://mega.co.nz/#!ztwGUBab!LnyhjgKgs0CBcWJeMFTuV84qHrpBxGBuoMRMHxdg--M> or <https://www.dropbox.com/s/6s04ascdb7ls983/BhargavALLReports.pdf> or <http://goo.gl/Mc3g1x> (check page no 55 CT Brain CD from above BhargavAllReports.pdf) Internal--> <http://sdrv.ms/15F1Vd3> or <http://goo.gl/7l7gz> every child in the world is a non ethical lawer of divorcee and they know everything that above written and try to save her by bypassing right and wrong (everybody in the world having a common mind of divorcee child politically lawer mind)

if i go for heart bypass then my brain will damage my heart once again so brain surgery is require not heart so problem is solved from root and no knee or chest any type of future pain will generate in my body because on second accuracy on my 100% correct (adversely affected thinking to divorcee half) is not possible with 50000 on second proof my chest or knee is not doing a part time job of thinking if they does then then and then on second half adversely affected thinking on second pain is possible otherwise not possible

bhargav e 55 pana na medical report human hacking na chutiya legally bahar lavva mate kadhavya hata ane pachi me java devanu vicharyu ke java do badhu pati jashe etle bandh thai jashe pan aje court metter puri thya pachi mara gutan ane chati ke brain ne mare te kem chale ene mane chella 2 year maryo e bhuli gayo have akhi jindagi mar khavano che mare bonchod.aa vastu medically bandh thavi joie compulsory...

Bhargav Collect 55 pages of medical report for human hacking (BhargavInternal new.doc) bring on legal documents but after i try to forget and forgive that and not go for more precise test before court metter finish so i not try to kick the ass of divorcee legally and now after finish the court matter still i have a knee and chest or brain pain when my thinking is 100% correct and adversely affected to divorcee is not acceptable work and why my thinking think against me(which type of disease this is that my thinking think against me)...

jo bhargav thodu ma choday evu vichare to "tara faliya ma pag nahi melu" e gayan mara vichar ma nakhi ne bachav thay ane jo bahu badhi ma choday evu vicharu to addhu j vicharyu hoy tyre divorcee mara gutan ke chati ke matha ma dukhavo utpan kari ne mane eni ma chodatu vicharto roke che karanke mara vichar public che ane public ma sati sita reva mate addha vichar per j dukhavo utpan kari ne puri line je me plan karyo hato e vicharto dukhava ne lidhe atki jaish...

Divorcee primary weapon for Bhargav Bhatt Correct & adversely affected thinking(80%) is inject songs like "Tara faliya ma pag nahi melu" and if my thinking is 100% adversely affected to divorcee then divorcee try to stop that thinking by knee or chest or brain pain because my brain is hacked by divorcee and my brain try to hit my knee or chest or brain on half thinking so pending lines can not be understandable by people around me.(because my thinking is public and do not want to be naked in public so i have pain due to public)

My mind is generating a pain in my brain or chest or knee on same second when my thinking is directly or indirectly adversely affected to divorce (On half damaging thinking) Only otherwise i have no pain (with 50000 on second proof from date 1 Dec 2012 with same schychology)at all And I make diary inside that i write date time of pain intensity of pain(1/10 or 2/10) and thinking that going on my mind on that second (my chest pain is for second and moving the different area of chest every time) and i have no blockage in CT coronary angiography and LIPID profile blood test is healthy from blue cross laboratory so keep my chest rouse (for over oil my chest engine for nonsense movement i am taking ayurvedic medicine in for my healthy chest on paper so their should no effect of nonsense power) and if anybody put gun on my head and tell me accept divorcee then also i will not accept and i tell that guy that shut me lets see...<https://app.box.com/s/g2039e3zljbjqd38b3v5> or <https://mega.co.nz/#!ztwGUBab!LnyhjgKgsOCBcWJeMFTuV84qHrpBxGBuoMRMHxdg--M> or <https://www.dropbox.com/s/6s04ascdb7ls983/BhargavALLReports.pdf> or <http://goo.gl/Mc3g1x> (check page no 55 CT Brain CD from above BhargavAllReports.pdf) Internal--> <http://sdrv.ms/15F1Vd3> or <http://goo.gl/7l7gz> every child in the world is a non ethical lawer of divorcee and they know everything that above written and try to save her by bypassing right and wrong (everybody in the world having a common mind of divorcee child politically lawer mind)

Bhargav Bhatt Done CT Angiocoronary and Left Knee MRI from <http://zydushospitals.com/> and Care recipient No of that hospital is ZYDUS/11637 and I also did CT Brain Plain from <http://apolloahd.com/> and UHID is AAHL.218267

Right now my thinking is in my control (when I am conscious) and not in control of divorcee so on current ongoing thinking divorcee can not interfere in between that but divorcee has full control of my nervous system so my current ongoing thinking that is adversely affected to her on that second divorcee gone a generate pain in my knee or chest or brain on that moment (second) to divert me or disturb or stop me for current thinking that is deadly affected to her. But divorcee can not directly stop that adversely affected ongoing thinking so if I take a medicine to loose the control of my (yantantu) or mind then we can say that I gave control to divorcee and I am loaded like drunker and then their is no pain at knee or chest. so if I take a medicine then divorcee can remain world best person(sati sita) inside my thinking and divorcee has no requirement to hit my knee and chest on adversely affected thinking. so this bullshit power kick the ass of LAW and right wrong game 100%.

Bhargav knee and chest report is perfect healthy but my mind full control is in divorcee or her child so from my mind they pass the pain in my knee and chest or brain via connected veins because my knee MRI and chest angiography is healthy and I have a pain in my knee or chest on same second when my thinking adversely affected to divorcee directly or indirectly and I fell the pain 50000 times with second accuracy and without this psychology their is no pain so i need a best neurosurgeon who can identify how to pass the pain via connected vain of knee and chest and then he can able to remove this nonsense by removing the thinking segregation part from my mind and 90% that part is passing the pain to my knee and chest or delegating the this nonsense work to some other part of my body so pain has a higher priority in mind so I will divert towards pain and thinking that going flawlessly inside my mind gets disturb because that thinking is 200% adversely affected to divorcee directly or indirectly so divorcee doesn't want to be a naked inside my thinking so try to stop adversely affected thinking on same second with knee pain or chest pain .By this second accuracy pain only 2 person in this world can benefited one is divorcee is trying to save her character and another is her child try to save her character and no body in the world can benefited by this. So I not required knee specialist or cardiologist for chest I require neurosurgeon of mind that can analysis this and remove this and for this best neurosurgeon is required because knee specialist and cardiologist can not save my knee or chest if I need my every part of my body healthy then my mind pass the pain in my every part of my body so if we removed that nonsense part from my mind then their is no pain in my any part of my body because every part is healthy .. Now every child that comes in front of me then his mind becomes superpower and he can think 10 times more then normal age person and he bypass right wrong and try to save divorcee character by same psychology as person who hacked me internally so right now I gave 70% to divorcee child and 30% to divorcee contribution towards my knee and chest pain. So My nervous system is hitting my every part of body so I can be paralyze in future..

Bhargav bhatt write 5 line every day form my last company email id and send it on every email id that i am holding so my internal hacking deatils i write with live suffering events that happens with me every day so 5-5 lines for 7month job becomes the 16 pages documents and that proof is available inside my every email id and that 16 pages collection of 7 month live curreption is available inside this documents and small parts of this 16 pages(BhargavInternal new.doc) is available in my every email id.....so in gujarati i can say that gand maravta maravta aa 16 pana lakhya che

their is a abnormal material inside Bhargav mind that saperate my thinking that adeversely affected to divorcee and on that second that material generate abnormal hyperintencity or something that can pass upto my knee or chest

or brain and can generate pain in my knee(via any connected veins) sooooo due to pain has higher priority in nervous system i divert towards pain and my thinking that going flowlessly inside my mind gets disturb so i got punish due to some other person work this all process goal is to do not want to naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stoping this nonsense power and cheated me

Bhargav Bhatt gets pain in my knee or chest or brain while I did something that is my good character and on her bad character and on my job work that politically affect the other person----> This is bullshit protective protection of divorcee person using nonsense superpower that i can not control

. their is no alternatives of that check the lawyer mentality(who is sitting inside bhargav mind) that when that lawyer inject tara faliya ma pag ,, nile nile ambar par, then bichuda(like yesterday) , hasino ka diwana so u ned to check after what type of thinking they inject this songs so they inject that songs then what is the meaning of that songs according to thinking that just pass in my mind and compare that with lawyer psychology.....tara faliyama pag is a confirmation of any right thinking

mara kaya vichar pachi as a opposite person lawyer e kayu songs mara vichar ma nakhe che ena uperthi me je vicharyu che te sachu che ke nahi te khabar padi jay and e lawyer e mara kaya vichar ne rokva mate mara gutan per endarthei gushine nukasan karyu che to ene je vichar per mane gutan nu nukshan karyu che e 100% correct and eni madarchodi che sauthi mota chutiya e che ke me jo koi saru kam aje karyu hoy to ena vichar farithi mara vichar ma gusadi ne e kam je saru karyu che ene artificial banavi de che.....

Bhargav na (mara) kaya vichar pachi as a opposite person lawyer e kayu songs mara vichar ma nakhe che ena uperthi me je vicharyu che te sachu che ke nahi te khabar padi jay and e lawyer e mara kaya vichar ne rokva mate mara gutan per endarthei gushine nukasan karyu che to ene je vichar per mane gutan nu nukshan karyu che e 100% correct and eni madarchodi che sauthi mota chutiya e che ke me jo koi saru kam aje karyu hoy to ena vichar farithi mara vichar ma gusadi ne e kam je saru karyu che ene artificial banavi de che.....vichar e war media che ane hu gayan vicharto nathi ke gato pan nathi to pan gayan mara vichar ma ave che and jo hu opposite person nu kobhad vicharu to mara gutan ke chati ke brain gaya so jo koi kam relax an e natural dimag thi kari nakhyu hoy to ene super power mara vichar ma enu pre plan nakhi deshe so that natural work becomes artificial and that person remain intact vichar e war playing filed che ane ema opposite person na real facts per e mara gutan ne mare che

when you guys not able to segregate Bhargav thinking with super power(divorcee lawyer who is sitting inside my brain) injected thinking in my mind ( and that person make the public full by injecting his thinking inside my thinking and making me bin laden and when i think something in relax mind that affect the opposite person then try to stop my thinking by hitting my knee) I am not even know that when thing is just pass through my thinking if i try to find that then their is nothing from my mind so that power precisely inject his thinking inside my mind in such a way that Me Bhargav Bhatt not gone a come to know(in my non conscious mind) that and make the public full.....

that is not possible for any person in the world to use attack word without planning that i want to prove this statement as curreption of her so i will speak attack after that thinking and think that mane maryu rande something like that this without plan in last 1year of my past thinking is not possible because you have my past 1 year all thinking data line by line so if you can try yourself this without plan and get success with second accurecy then let me know.... from 1st dec 2012 i use attack word in my thinking round about 5000 times and i not did any planning since last 1 year and my accuracy is 100% all the time when i use attack word or rande maryu tyare mara vichar ma 100% ena kobhad hoy che ej seconde so anybody can try this like me if you can so kaya vichar ne ena kobhad prove karva mate e vichar per ej seconde maryu maryu karvu pade try kari juo plan vagar and 100% second ni accuracy joie mare 5000 times you can not tell me that ratre 3 vage plan karyo hato so me chella eak be varsh ma plan karyo nathi so tame kari ne batao mara jevi talent....mara case ma 5000 knee and chest or brain

brain thinking predicting technology is used with bhagav otherwise half damaging thinking I not have a pain in my knee or chest or fluctuation in my brain on same fraction of second is not possible( like on my thinking start with one word and super power know all 4 line of next comming inside my thinking so if that thinking is adversely affected to divorcee in any direction then you can try to damage my knee or chest or fluctuation in brain on same second(first word of thinking) to stop my next 3 line of thinking) so people around me not gone a feel my pain and they know the only one word from my thinking and after that due to pain in my knee or chest or brain i stop or divert in my current thinking so you dont know all 4 lines of thinking and i stop on 1st word of thinking due to pain so people around me not feel my pain and not know the full 4 line of next thinking so that person doing bullshit protective protection in huge area like other then her direct charecter problem that power hit me on my good charecter with any other girl or indirectly my job work affect that divorcee legally or bhargav bhatt is 100% legal right ten also that power hits my knee of chest or barin same brain thinking predicting technology is being used in primary weapon like "tara faliya ma pag nahi melu"

....so this is a generic think that can be applied to any live scenario so you suppose to think this way that you are a divorcee and you are gone a save yourself using two type of power 1) thinking injection (when I have loos coupled mind or lower song after any particular thinking that adversely affect to you) 2) hit(harm) my knee if you are in big trouble like my thinking is very very adversely affect to you then you can stop my thinking at that moment by hitting my knee so I will stop that thinking so if any person think that I am divorcee and I have full access of what I am doing all the time then you can protect yourself by using above two power at priority like first you use mind injection and in most adverse condition you will use 2nd power that is hit my knee to stop that thinking then everybody in the world can guess that what will happen next in my mind or profile.so that person use the mind injection 1st power for last 3-4years and now instead of making me mad that hacker becomes mad due to my best past work for whole life that person use knee hitting power after 3-4 years Meaning of that thing is you kick my ass for 3year \* 365 \*24=26280hrs in my life that many hrs you spoil my mental state and carrier and financial loss So this proof of data conclude that the blames i put on her on day one is wrong and due to that I am suffering in my knee..... or i am right from day one that why this trade becomes execution and thats why you protect yourself by mind injection and making me MAD since 3-4 year and now because i am 100% right and my blames is right that why you hurt my kneeeeeeeeeeeeeee.....Meaning of that thing is you kick my ass for 3year \* 365 \*24=26280hrs in my life that many hrs you spoil my mental state and carrier and financial loss. There is a 10 lac divorce cases per year in india and if we consider 10 lac divorcee women put a 50lac blames on his spouse then from that 50 lac blames collection not a single blame is gone a apply on me so I am most respected person from 10lac divorce cases that happens in [india.hu](http://india.hu) 2 year right- wrong na ganit ramta ramta Bhikhari thai gayo ane pachi super power e right ganit per marvanu chalu kari didhu now jo hu undar thi kharab nahi joi ke undar thi kharab nahi vicharu ke undarthe kharab kam nahi karu to je 1 year thi madi ne 100 year na collecion of people sudharshe nahi ane mara vichar ma sita ane sita ni ma ne readymade nakhva mate mare jai jau tya ma fadta rehshhe.....( i will

do everything legally)

sauthi mota chutiya pa e che ke me jo koi saru kam aje karyu hoy to ena vichar farithi mara vichar ma gusadi ne e kam je saru karyu che ene artificial banavi de che.....sauthi mota chutiya pa e che ke me jo koi saru kam aje karyu hoy to ena vichar farithi mara vichar ma gusadi ne e kam je saru karyu che ene artificial banavi de che.....vichar e war media che ane hu gayan vicharto nathi ke gato pan nathi to pan gayan mara vichar ma ave che and jo hu opposite person nu kobhad vicharu to mara gutan gaya so jo koi kam relax an e natural dimag thi kari nakhyu hoy to ene super power mara vichar ma enu pre plan nakhi deshe so that natural work becomes artificial and that person remain intact..vichar e war playin

you can see my all lab medical test report that i execute and remaining all medical reports that i execute in front of 50000 people with fee receipt is available for download and make sure I do not want any abnormal changes due to Bhargav Bhatt Human hacking by divorcee...If i check the emails just around date 1st dec then all legal data is in the market and their is no legal loophole in my profile on 1st dec onwards so superpower start hitting my knee and i go for knee medical test on 24 dec 2012 and start medical war from that date onwards and uptill now i collect 50 pages of medical report so do not dare to hit me aginst that report..... u will be no more.....My knee and chest report is perfect healthy but my mind full control is in divorcee or her child so from my mind they pass the pain in my knee and chest via connected veins because my knee MRI and chest angiography is healthy and I have a pain in my knee or chest on same second when my thinking adversely affected to divorcee directly or indirectly and I fell the pain 50000 times with second accuracy and without this psychology their is no pain so i need a best neurosurgeon who can identify how to pass the pain via connected vain of knee and chest and then he can able to remove this nonsense by removing the thinking segregation part from my mind and 90% that part is passing the pain to my knee and chest or delegating the this nonsense work to some other part of my body so pain has a higher priority in mind so I will divert towards pain and thinking that going flawlessly inside my mind gets disturb because that thinking is 200% adversely affected to divorcee directly or indirectly and 100% correct so divorcee doesn't want to be a naked inside my thinking so try to stop adversely affected thinking on same second with knee pain or chest pain .By this second accuracy pain only 2 person in this world can benefited one is divorcee is trying to save her character and another is her child try to save her character and no body in the world can benefited by this. So I not required knee specialist or cardiologist for chest I require neurosurgeon of mind that can analysis this and remove this and for this best neurosurgeon is required because knee specialist and cardiologist can not save my knee or chest if I need my every part of my body healthy then my mind pass the pain in my every part of my body so if we removed that nonsense part from my mind then their is no pain in my any part of my body because every part is healthy .. So My nervous system is hitting my every part of body so I can be paralyze in future.. Lifetime you guys are able to see what i am see and can analyze what i think on ongoing basis still i have no issue after removing direct hitting power to any of my body areaso i got punish due to some other person work this all process goal is to do not want to naked in my thinking so stop my thinking with pain so my knee and chest is healthy still i have pain so main problem is after taking money you guys not stoping this nonsense power and cheated me

After finishing of legal divorce with india legal system -Bhargav have still chest and knee or brain physical pain due to mind hacking by divorcee so without medical treatment of bhargav cum vijay does not make any sense even if bhargav is 100% legally right.If Indian doctors not able to remove my physical pain cum remote control form my

mind then put divorcee behind the bar (jail) otherwise i need to hunt for another country doctors (i am fine with my publicly accessible thinking but physical pain must be removed from root) and if you unless and until you not removed this remote control cum physical pain i will not buy any life insurance free from any company and i will not save single pany from my earning -because using above power remote control i can die in minute if i think according to financial planner. and with this pain if anybody try to inject divorcee back using height or hair or Goa or something else will not work.because i will cut divorcee chest and knee even if she is naked in front of me. Bhargav bhatt not suppose to hide my bad character or any type of job or financial corruption behind any GOD. I am fine to play right and wrong with any god.and in my profile GOD is not for save myself but gave me more power to fight against bad work. and I will manage remaining part at my own with power of being right bulldozer and able to crush anybody in that.

Hu(Bhargav) Su vichari ne job kare che ema thi akhi city na badha manaso mari gand marvano try kare to mare CV ma 100% correct lakhvu pade ane hu maro 100% correct CV same thi api dau to koi problem re nahi ane hu job 50 year sachvi saku.

on 1st december 2012 all bhargav legal data is exposed to all over the world via Aditya Birla money company internet via google and yahoo and every email id contain my all legal data check my email across that date for proof. Now due to that remote control inside my mind (divorcee lawyer) can not survive using think inside my mind and miss guide the people around me so start generating me pain on 100% correct thinking to remain good character in my mind so start hitting my knee or chest or brain on half pending thinking so i might divert towards pain and might stop thinking and that date onwards i collect 55 pages of medical report for removing my chest and knee or brain pain.

right now some people are think that i have chest disses(implicit problem) and i have some calcium or RA factor problem in my knee.....but my thinking hit my chest and knee and if both not happens then i have huge fluctuation inside my brain.....and i have 50000 proof that when i have pain in my chest or knee or brain then at that second my thinking must be 100% right and damaging to divorcee lawyer psychology so thair is a lawyer inside my brain who generate this pain....do you know who right this statement (bhargav bhatt who not believe in anything without proof and i have 50000 on second proof)

Bhargav bhatt have an experience of VB6 without any type database and still I want to clear the interview of DOTNET+DATABASE master without prctical experience of dotnet,database then bhargav suppose to buy multiple books to clear the master interview without experience.

(Bhargav) Hu su joi ne su vicharu chu e akha india ne ke TV ni inder mari akhi jidagi khabar pade to mane vadho nathi pan mane marvano power bandh thavo joie (Only read only rights is fine with me -publically accessible thinking and eyes) but editable rights suppose to stop -Nobaody can inject thinking inside my thinking and not suppose to generate pain anywhere in my body)--this is my requirements from Indian doctors if they unable to solve then i will try with another country doctors(I will not tell i love you even if you kill me)...now if i put above requirements with Indian hospital doctors (i am fine with publicly accessible thinking and eyes) and still that Indian doctors not gone a think to remove my physical pain and do the the work according to doctors ethics and before removing my pain if he thinks about my personal interference even after i am fine with my public thinking for whole life so everybody can play right wrong with me for whole life but remove my physical pain still they are not

follow the standards and i suffer since last 2 year so i need doctors from anywhere to remove this.

what ever Bhargav Bhatt see and think that is accessible to whole india or inside TV for my whole life is not a problem with me. But my thinking should not generate pain in my body or my thinking should not hit me. (Only read only rights is fine with me -publically accessible thinking and eyes) but editable rights suppose to stop -Nobaody can inject thinking inside my thinking and not suppose to generate pain anywhere in my body)--this is my requirements from Indian doctors if they unable to solve then i will try with another country doctors (I will not tell i love you even if you kill me)...now if i put above requirements with Indian hospital doctors (i am fine with publicly accessible thinking and eyes) and still that Indian doctors not gone a think to remove my physical pain and do the the work according to doctors ethics and before removing my pain if he thinks about my personal interference even after i am fine with my public thinking for whole life so everybody can play right wrong with me for whole life but remove my physical pain still they are not follow the standards and i suffer since last 2 year so i need doctors from anywhere to remove this.
